	15		15

Minimum Total Credits = 120

This track is designed to provide the student with a strong and flexible background in economic theory and some of the important applications of that theory. In addition to the six required courses, the student chooses six additional upper level economics courses.

Refer to the General Education Program Course Website: <http://www.uml.edu/gened> for General Education requirements. Courses in the General Education categories of Diversity and Ethics should be selected in conjunction with a faculty advisor from department offerings or other electives.

*Required for entering Freshmen
