Fill in the information below for the year long science sequence:

A&P I GPA: \_\_\_\_\_ A&P I Lab GPA: \_\_\_\_\_  
A&P II GPA: \_\_\_\_\_ A&P II Lab GPA: \_\_\_\_\_

*Or*

Physiological Chemistry (or General Chemistry) I GPA: \_\_\_\_\_ and Lab I GPA: \_\_\_\_\_  
Physiological Chemistry (or General Chemistry) II GPA: \_\_\_\_\_ and Lab II GPA: \_\_\_\_\_

*Or*

Physics I GPA: \_\_\_\_\_ Physics I Lab GPA: \_\_\_\_\_  
Physics II GPA: \_\_\_\_\_ Physics II Lab GPA: \_\_\_\_\_

Cum GPA: \_\_\_\_\_

- As a student interested in applying to the Exercise Physiology (EP) program, I understand the School of Health & Environment (SHE) policy requirements for Exercise Physiology are a minimum overall GPA of 2.7 and a Science GPA of 2.7.
- As a student interested in the EP program, I understand that if admitted I must maintain a minimum overall and science GPA of 2.7 to remain in the program.
- As a student interested in the EP program, I am aware of the tutoring services available at the Student Service Center located on the first floor of Weed Hall and at the Centers for Learning in O'Leary Library on the 3<sup>rd</sup> floor and in Southwick Hall, Room 308.
