

Private Swim Lesson Request Form

The CRC is now offering private swim lessons for adults & children year-round. You may purchase sessions in packages of 4-sessions at a time. We will do our best to set up these private lessons, but we do not guarantee that we can in every instance. Lessons are set up based on your availability, as well as the instructor & the pool's availability.

You can list your contact info & availability to meet for private swim lessons on the form below. You can then mail the completed form to:

**UMass Lowell Campus Rec Center
100 Pawtucket Street
Lowell, MA 01854**

Instead of mailing this form in, you can also just contact Justin Lawler at 978-934-2332 or Justin_Lawler@uml.edu to send your availability for private lessons.

You do not need to pay for your package until your lesson dates/times have been confirmed. The cost per person decreases if you have multiple people that can sign up for a package at the same time. The cost for each package is listed below:

4-Session Packages available:

- 1-Person: \$100 for individual
