The Practicum/Seminar is a two semester, three credit requirement. Students register for one credit during the first semester and for two credits during the second semester. Candidates may only enroll in the practicum with permission of the Graduate Coordinator. The practicum is taken after all other course requirements have been met, although it is possible to enroll in one course concurrent with the practicum each semester.

* To build a systematic knowledge base, it is recommended that courses designated with an asterisk be taken before other courses.

** This course can be taken after **18 credits** and requires the permission of the Graduate Coordinator.

Important Licensure Information Candidates who hold a current initial or professional Massachusetts license and complete all coursework, including the practicum in a Massachusetts school, are eligible for Massachusetts licensure as a principal or assistant principal. Out-of-state candidates should apply to the M. Ed. program in Educational Administration Non-Licensure concentration.
