

MINOR in Sound Recording Technology for Electrical and Computer Engineering Majors

Basic Music (4 credits)

- 71.110 - Basic Music Theory
- 75.131 - Keyboard 1

Sound Recording Technology courses (15 credits)

- 78.310 - Introduction to Recording
- 78.360 - Critical & Analytical Listening
- 78.390 - Acoustics & Psychoacoustics
- 78.411 - Audio Theory
- 78.470 - Recording Studio Repair & Maintenance

S R T Elective (select one of the following) (3 credits):

- 78.350 - Video Production
- 78.420 - Sound Synthesis 1
- 78.450 - The Recording Industry
- 78.490 - Seminar in SRT Technical Research (recommended)

Electrical and Computer Engineering

At least one "Technical Elective" related to Sound Recording Technology

TOTAL NUMBER OF CREDITS: 22
