

**General Requirements  
(For Students entering Fall 2011 and beyond)**

A major in psychology consists of 36 - 45 Psychology credits with at least 18 credits at the 300 level or higher. Students transferring to the college and wishing to major in psychology must make individual arrangements with the department chairperson regarding satisfaction of major course requirements. To graduate with a Psychology degree, students must have a 2.2 GPA in Psychology courses and an overall minimum GPA of 2.0.
