Research

GRANTS:

Project Title: Vibes and Waves in Action
Sponsor: Motorola
Amount: \$50,000
Duration: 9/2008-8/2009
PI: K. Chandra
Co-PIs: J. Boccia and C. Thompson

Profs. Chandra (PI), Boccia and Thompson (Co-PIs) awarded Motorola Innovation Grant of \$50,000 for the Vibes and Waves in Action program. Graduate students engaged in research work with high school students and teachers in Physics classrooms at Lawrence High School for Math, Science and Technology and Lowell High School. They develop interactive experiments in acoustics and wireless communication and help relate core curriculum topics to the ongoing research. More information at <http://vibes.uml.edu>

CONFERENCE PRESENTATIONS:

Prof. Kanti Prasad attended ASEE planning committee meeting for 2009 regional conference for the North-East section at Bridgeport University on 7th of November where they finalized the schedule of events for this conference as a member of the executive committee for the North-East.
