Ms. Witkowski is Studio Manager for the Fine Arts 2D Painting Department at Massachusetts College of Art, where she developed a safe and practical studio environment program and handbook. She has designed a course/workshop (Basic Training) – a holistic approach to the studio experience via sustainability education. Director of the Efka Project, Luanne E. Witkowski (LEW) curates local emerging talent while offering a co-op experience to young artists. As a member of the Mission Hill Artists Collective and the Provincetown Art Association, Luanne continues to work as a studio artist – exhibiting her paintings, prints, and works on paper with groups and solo. Currently her interests involve inspiring institutional change in higher education in the fine and professional arts through wholistic practice and sustainability education. Luanne received her Master’s degree in Critical and Creative Thinking at the University of Massachusetts/Boston, her B.F.A. in Art History and Fine Arts/Printmaking from Massachusetts College of Art, and studied Special and Art Education at Lesley College.
