

CVIP Technology Development Fund Winter 2008

Apply now through your CVIP campus office

The deadline for applying to the 5th annual CVIP Technology Development Fund is January 7th, 2008. **Applications must be submitted by midnight in order to be considered.**

This year, our grants will be up to **\$30,000** per project for direct project expense, and we anticipate making approximately **8 awards**.

The CVIP Technology Development Fund was established by CVIP in the President's Office in 2004 to provide UMass researchers with supplemental funding to advance previously disclosed University technologies toward commercialization.

This award program is only available to UMass researchers.

There is no requirement of a statement of intent, and the maximum possible length of the proposal is only seven pages.

Contact your CVIP campus office for application guidelines. Contact Michele Bernier, CVIP/MTTC Awards Manager, at mbernier@umassp.edu with any questions.
