ADMISSIONS CRITERIA

This program is designed for individuals who seek initial licensure in Massachusetts. The program leads to a master of education degree in curriculum and instruction, including an initial license in the discipline.

The program may be completed in one calendar year (May to May) or may be taken on a part-time basis over two years. Courses are offered in the late afternoon.

1. Successful applicants must have an undergraduate degree or a minimum number of credits in the specialization field in which they are seeking licensure as follows:

   Biology          36 cr. in biology + 18 cr. in other sciences
   Chemistry        36 cr. in chemistry + 18 cr. in other sciences
   Physics          36 cr. in physics + 18 cr. in other sciences
   Earth Science    36 cr. in an earth science + 18 cr. in other sciences
   English          36 cr. in English
   Mathematics      36 cr. in mathematics
   History          36 cr. in History

2. Applicants are expected to have a minimum grade point average of 3.0 in undergraduate work.

3. Applicants to the M.Ed. Curriculum and Instruction Initial License Option (including the Fast Track) must submit proof of passing the MTEL- Massachusetts Tests for Educator Licensure (Communication and Literacy Skills and Subject Area Test are required).

In addition to the requirements listed above, applicants must also submit the following:

- Application cover page
- Application fee
- 3 letters of recommendation
- Personal statement of purpose
- All official transcripts
