If your home country’s license is not issued in English, you must first obtain an International Driving Permit in your home country. The International Driving Permit is valid for only one year from your date of entry into the U.S. For more detailed information about driving with a foreign license, you may want to read Frequently Asked Questions on International Driver Licenses & Driving Privileges for Foreign Licensed Drivers: http://www.massrmv.com/rmv/forms/21317.pdf
