## Your New Student Center

The new **Student Center** provides you with access to your student self service information from *Academics* to *Enrollment Dates*.

Some key information is displayed in summary view, including *This Week's Schedule*, *Contact Information*, and your current *To Do List*. Some sections may not contain information, such as *Holds* or *To Do List*, as you may not have any current Holds or To Do items.

You can also access your student self service pages through the shortcuts or quick link dropdown lists provided under each section.

For more information on the Student Center, watch the Student Center online tutorials.
