Attendees: Linda Silka, Bob For rant, Craig Slatin, David Turcotte, Mike Prokosch, Bill Mass, Bill Lazonick, Dan Egan, Cathy Crumbley, Phil Moss and Ed March. Meeting minutes were taken by Nancy Hodge.

CITA Book
The latest CITA book is now out – Inside and Out, Universities and Education for Sustainable Development. The group had a discussion on how this book can be used in classes and in university conversations. Dave Turcotte agreed to bring the book to the transformation team. Bob and Linda will look into purchasing copies to give to guest speakers etc.

April Conversation Dinners
Mike indicated that the April dinner conversations went very well. There was great discussion with the university and labor units. The conversations were taped and Mike agreed to send out enews about the conversations and the outcomes.

A brief discussion took place regarding the book being worked on from the 2005 CITA Conference. Dan, Mike, Greg and Bill are all working on the book. Mike agreed to circulate an outline of the book. Suggestions for publishers included Southend Press, Cornell and Baywood. Deciding the book’s audience will also help find a publisher.

Sustainability Dinner – Transformation Team
A university wide dinner will be held on May 3rd in Alumni Hall at 5:00 pm. Dave agreed to discuss with the Transformation Team the possibility of having the new book available to give attendees. Dave will also send out an electronic copy of the Transformation Dinner Announcement.

Planning for 2007 Conference
Bob and Linda noted that our application for additional funds from the President’s office is being considered. These funds will help with travel for people from such places as Africa and will also help pay for a keynote speaker. Nancy will send an electronic copy of the conference announcement to the CITA group. All members are asked to send out to their connections or send an email to Nancy, Bob or Linda to have it distributed to a particular group.

CIC Seminar Series
Bill Mass asked the committee for suggestions on speakers and themes for the CIC Seminar Series. Ideas included someone from College of Engineering and former head of HUD. All members should send ideas to Bill Mass.

2006 CITA Conference will be held APRIL 26th, 27th, and 28th.

Next Meeting: May 16, 2006 at 12:15 in RESD.
