During the verification review, we have identified some conflicting information that needs to be resolved. Your 2016 tax return shows income (or loss) from a rental property, which differs from the "net worth" amount of investments/real estate assets reported on your 2018-2019 FAFSA.

List all real estate you or your parent(s) own or partially own (**do not include your primary residence unless you rent a portion of it**). If you rent a portion of your primary residence, report the value of the portion rented. Values should be the full fair market value **as of the day you completed the 2018-2019 FAFSA**.

Also, if you own a multi-family home, list the percentage of the home that is rented. For example, if you own a two-unit home, rent one unit and live in the other unit, you would indicate 50% as percentage that is rental property.

REAL ESTATE: *Attach a separate sheet if you own more than 3 properties*
