### Wellness

Care and concern for staff is a top priority for IDOC. We want you to be aware and have easy access to resources which are currently available and may benefit you in your work or family life. Below is a brief description of each, but click on the designated icon for more information.

- » Employee Assistance Program (EAP) - This program provides free counseling services for you and your family. This online resource also includes wellness, financial and child care information.
- » New Baby - Programs, resources and free supplies available to those expecting a new addition to their family.
- » Discount Programs - Discounts available to IDOC employees for services such as hearing exams, orthodontics, vision services and gym memberships.
- » Smoking Cessation - Resources available to help you quit smoking.
- » Legal Shield - Prepaid legal services available for IDOC employees.
- » Information & Opportunities - A list of resources for IDOC employees that includes health information, financial information & classes.
- » Mental Wellbeing - Helpful information on maintaining mental wellness.
