Acadia Weekend
Acadia National Park, ME
October 6-9th, 2017

TRIP DESCRIPTION:
Acadia National Park is located on the coast of Maine and provides a diverse and rich environment from meadows and marches to evergreen forests and rocky outcroppings. This beautiful park was created when glaciers cut through mountains and left valleys in their wake. The ocean surrounds the entire park, offering a multitude of beaches. We will fill our weekend with hiking, kayaking and exploring this amazing park!

The Enriching Essential Learning Outcomes (E2LO) Initiative helps you build connections between the core outcomes that you achieve in the classroom and events and experiences that take place beyond it. The program you are attending is designed to enrich your student experience related to Social Responsibility and Ethics by exposing you to the concepts of Leave No Trace Outdoor Ethics. By attending programs like this your student experience may be enriched in a variety of ways! For information on E2LO events, experiences, rewards and scholarship opportunities please visit the UMass Lowell E2LO website.
