See your high school guidance counselor or go to www.uml.edu/nersp.

Proximity Rate Program
UMass Lowell has created a Proximity Rate Program that offers reduced tuition to students in Southern New Hampshire. Learn all about it at www.uml.edu/proximity.

Only courses with grades of “C-” or better are transferable. Course descriptions are required for all undergraduate coursework. See information below regarding international transcripts and course descriptions.
- Transfer students for whom English is not a first language are advised that unless they have completed two years of English composition with a “C” or better at an American university, they must fulfill the TOEFL requirements. See information below regarding TOEFL.

MassTransfer
MassTransfer is a state-wide transfer policy that provides students with straightforward, understandable options for completing associate and baccalaureate degrees. Specific associate degrees have been designated as automatically transferable to Massachusetts public colleges and universities. Credit applicability, guaranteed admissions and a tuition discount are all possible with qualifying grade point averages. MassTransfer also defines a portable set of courses, called a MassTransfer Block, which satisfies general education/distribution/core requirements across institutions. Learn more about MassTransfer at www.uml.edu/masstransfer.

Information for International Applicants

Applicants who are residents of international countries are required to supply the Office of Undergraduate Admissions with the materials listed below. All materials submitted become the property of UMass Lowell and may not be returned:

- SAT or ACT scores
- secondary school and/or college records
- all other application materials, submitted in English,
- Upon acceptance, all international students must file the financial resource form, Certification of Finances, which provides evidence of sufficient financial resources for their years of study at the University.

Applicants must have considerable facility with English, and prospective students whose native language is not English are required to take College Writing 1 & 2 with a grade of C or better at a regionally accredited college or university, or to take the Test of English as a Foreign Language (TOEFL). A score of 550 or above is required by the University. (A score of 213 or above is required on the computer-based TOEFL.) How to Apply for Financial Aid

1. File the FAFSA online at www.FAFSA.ed.gov. The priority deadline for UMass Lowell is March 1.

b) All transfer students are required to list all courses not shown on their transcripts. This listing can be completed on Page 2 of the application.

Interviews and auditions may also be required in some cases.
e) Transfer students for whom English is not a first language are advised that unless they have completed two years of English composition with a “C” or better at an American university, they must fulfill the TOEFL requirements (see page i). Residency Status for Tuition Classification

Am I eligible for In-State tuition rates (Massachusetts Resident)? What is my residency status for tuition classification?

As a state institution, UMass Lowell sets tuition and fees for undergraduate and graduate students based on residency classification regulations from the Massachusetts Department of Higher Education and the New England Board of Higher Education. First, the applicant has to be a U.S. citizen, a permanent resident or have received an I-485 to be eligible for consideration. In general, a person is eligible for In-State classification (or to apply for residency reclassification) as a Massachusetts resident if the applicant (or his/her spouse if married) resided, or demonstrated intent to establish residency in Massachusetts, for approximately 12 months immediately preceding his/her enrollment, or re-enrollment, at UMass Lowell. Exceptions may apply, such as active duty station in Massachusetts or marriage to a Massachusetts resident. Please note: an applicant may not establish Massachusetts residency solely by attending UMass Lowell. Also, there are two other residency classifications with charges lower than the Out-of-State and International designations:

- **Proximity Program**—This program offers a reduced tuition rate for undergraduate students living in Southern New Hampshire. Eligibility is extended to students whose permanent residence is closer to UMass Lowell than to their home state institution offering the same program. [www.uml.edu/Proximity](http://www.uml.edu/Proximity).

- **New England Regional Student Program (NERSP)**—it offers students enrolled in qualified programs the opportunity to attend a public college or university in a New England state other than the one in which they live. NERSP-Qualifying Programs are those not offered on public campuses in a student’s home state, with less than the out-of-state costs. More information is found at [www.uml.edu/NERSP](http://www.uml.edu/NERSP).

For the full details of UMass Lowell’s policy on Residency Status for Tuition Classifications Purposes, please go to [www.uml.edu/residency](http://www.uml.edu/residency).
