

ATTENTION RADIATION WORKERS

The University of Massachusetts Lowell has been authorized to receive, possess, use, and transfer radioactive material by the US Nuclear Regulatory Commission and the Commonwealth of Massachusetts Radiation Control Program under the following Licenses:

Massachusetts Broad Scope License: MA 60-0049

NRC Facility Operations License: R-125

Copies, amendments, and supporting documents for the above license are on file and available for review in the radiation safety office in Pinanski building room 103.

Also available for review in the Radiation Safety Office are:

- 10CFR part 19- Notices and Instructions to Workers,
- 10CFR part 20- Standards for Protection against Radiation,
- 105 CMR 120 – the Commonwealth of Massachusetts regulations for the control of radiation and radioactive materials,
- All University operating procedures and guides which are applicable to these licenses

DO NOT ENTER THIS SPACE UNLESS PERMISSION IS GRANTED BY THE LAB OCCUPANTS OR PRINCIPAL INVESTIGATOR
(Refer to red card for phone numbers)
