COFFEE WITH A MISSION

non-profit direct trade roastery

NOT TO ACT, IS
TO ACT. NOT
TO SPEAK, IS
TO SPEAK.

Together we can make a difference

At Bonhoeffer's Cafe and Roastery, we pledge to provide the finest quality coffee, service and atmosphere for our customers. Our warm, relaxed cafe is meant to be a restful and refreshing stop along life's journey.

At Bonhoeffer's, we pledge to provide only Fair Trade/Direct Trade organically grown coffee. By purchasing these quality products, we intentionally empower farmers and farmworkers to rise out of impoverishment and want. We are encouraged to know that Fair Trade/Direct Trade products not only protect the environment, but provide opportunities for farmers in developing countries to acquire the business skills necessary to compete in the global marketplace.

At Bonhoeffer's, we are intentional in setting aside funds from every cup to be used to bring hope and life to kids around the world. Our pledge is that profits from Bonhoeffer's Cafe and Roastery will be used to provide food, housing, medical supplies and educational opportunities for orphans and refugees from impoverished and developing nations.

On behalf of the kids, thank you for making a difference.

Ethical Efforts / Sustainability Goals

By using direct trade coffee, Bonhoeffer's ensures that all coffee bean farmers receive all the profits they have rightfully earned

The profit that their suppliers make from coffee bean sales enables their village's children to attend college at much higher rates than ever before

Bonhoeffer's supports organizations that provide water purification, HIV-AIDS care, and chances for economic growth in developing countries
