

Total Worker Health for Occupational Safety and Health Professionals Brainshark Navigation Guide

Thank you for enrolling in *Total Worker Health* for Occupational Safety and Health Professionals! To begin the course, log in to Brainshark and navigate to the **'Learning'** tab located at the top of your screen, shown below outlined in blue. Contact CPH-NEW@uml.edu if you need help logging in.

Once in the Learning tab, you will see *'Total Worker Health for OSH Professionals'* in your enrollments.

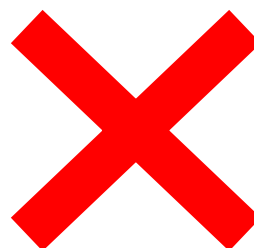

Total Worker Health
for Occupational
Safety and Health
Professionals

Always ensure you are watching *'TWH for Occupational Safety and Health Professionals'* content, **which is always identifiable by a white background, with a light blue accent**. This will ensure you are awarded a Certificate of Completion.

Total Worker Health
An Introduction for College & University Students
Chapter 1
Course Orientation

If you log out and go back into Brainshark, you will not be automatically routed to the 'Learning' tab. Instead, you may see *similar* content on the Brainshark home page for students in training (dark blue background). **Always navigate to the "Learning" tab to access *'TWH for Occupational Safety and Health Professionals'* (white background).**
