Personal data and personal information shall be deemed to be “Personal Information.” Contractor shall implement feasible safeguards to restrict access and ensure the security, confidentiality and integrity of all Personal Information owned, controlled, stored, or maintained by University and provided to or accessed by Contractor in the performance of services irrespective of the medium in which it is held. The Contractor agrees that it shall inform each of its employees, servants or agents, having involvement with Personal Information of the laws and regulations relating to confidentiality and privacy. The Contractor shall not assign or in any way transfer any interest in this Contract without the prior written consent of the University, nor shall the Contractor subcontract any service without the prior written approval of the University. Any purported assignment of rights or delegation of performance in violation of this Section is VOID.

17. **Nondiscrimination in Employment.** The Contractor shall not discriminate against any qualified employee or applicant for employment because of race, color, national origin, ancestry, age, sex, religion, physical or mental handicap, or sexual orientation or a person who is a member of, applies to perform, or has an obligation to perform service in a uniformed military service of the United States, including the National Guard on the basis of that membership, application or obligation. The Contractor agrees to comply with all applicable Federal and State employment statutes, rules and regulations.

18. **Severability.** If any provision of this Contract is declared or found to be illegal, unenforceable, or void, then both Parties shall be relieved of all obligations under that provision. The remainder of the Contract shall be enforced to the fullest extent permitted by law.

19. **Choice of Law.** This Contract is entered into in the Commonwealth of Massachusetts, and the laws of the Commonwealth, without giving effect to its conflicts of law principles, govern all matters arising out of or relating to this Contract and all of the transactions it contemplates, including, without limitation, its validity, interpretation, construction, performance and enforcement.

20. **Forum Selection.** The Parties agree to bring any action arising out of or relating to this Contract or the relationship between the Parties in the state courts of the Commonwealth of Massachusetts which shall have exclusive jurisdiction thereof. The Contractor expressly consents to the jurisdiction of the state courts of the Commonwealth of Massachusetts in any action brought by the Commonwealth or the University arising out of or relating to this Contract or the relationship between the Parties, waiving any claim or defense that such forum is not convenient or proper. This paragraph shall not be construed to limit any other legal rights of the Parties.

21. **Force Majeure.** Neither party shall be liable to the other or be deemed to be in breach of this Contract for any failure or delay in rendering performance arising out of causes beyond its reasonable control and without its fault or negligence. Such causes may include, but are not limited to, acts of nature or of a public enemy, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, or unusually severe weather. Dates or times of performance shall be extended to the extent of delays excused by this section, provided that the party whose performance is affected notifies the other promptly of the existence and nature of such delay.
23. **Indemnification of University.** The Contractor shall defend, indemnify, and hold harmless the Commonwealth, the University, its Trustees, Officers, servants, and employees from and against any and all claims, liability, losses, third party claims, damages, costs, or expenses (including attorneys’ and experts’ fees) arising out of or resulting from the performance of the services performed by the Contractor, its agents, servants, employees, or subcontractors under this Contract, provided that any such claims, liability, losses, third party claims, damages, costs, or expenses are attributable to bodily injury, personal injury, pecuniary injury, damage to real or tangible personal property, resulting therefrom and caused in whole or in part by any intentional or negligent acts or omissions of the Contractor, its employees, servants, agents, or subcontractors. The foregoing express obligation of indemnification shall not be construed to negate or abridge any other obligation of indemnification running to the Commonwealth and/or the University that would otherwise exist. The University shall give the Contractor prompt and timely notice of any claims, threatened or made, or any law suit instituted against it which could result in a claim for indemnification hereunder. The extent of this Contract of indemnification shall not be limited by any obligation or any term or condition of any insurance policy. The obligations set forth above shall survive the expiration or termination of this Contract.

24. **Risk of Loss.** The Contractor shall bear the risk of loss of any Contractor materials used for a Contract and for all deliverables and work in process.

25. **Tax Exempt Status.** The University is exempt from federal excise, state, and local taxes; therefore, sales to the University are exempt from Massachusetts sales and use taxes. If the University should become subject to any such taxes during the term of this Contract, the University shall reimburse the Contractor for any cost or expense incurred. Any other taxes imposed on the Contractor on account of this Contract shall be borne solely by the Contractor.

26. **Waivers.** All conditions, covenants, duties and obligations contained in this Contract can be waived only by written agreement. Forbearance or indulgence in any form or manner by a party shall not be construed as a waiver, nor in any way limit the legal or equitable remedies available to that party.

27. **Amendments.** This Contract may be amended only by written agreement of the Parties, executed by the Parties’ authorized representatives and in compliance with all other regulations and requirements of law.

28. **Entire Agreement.** The Parties understand and agree that this Contract and its attachments or amendments (if any) constitute the entire understanding between the Parties and supersede all other verbal and written agreements and negotiations by the Parties relating to the services under this Contract.

29. **Notice.** Unless otherwise specified, any notice hereunder shall be in writing addressed to the persons and addresses indicated below (Name, postal address, phone, email address):
