Enrolling in Direct Deposit
Job Aid

**Step 1** Begin by logging into your Student Services Center in SIS
https://www.uml.edu/Enrollment/SIS/

**Step 2** Click on Finance and Financial Aid link.

**Step 3** Click on the Enroll in Direct Deposit link.

**Step 4** The My Direct Deposits page is used to enroll and designate your direct deposit account information. No account currently exists for you. You will need to add an account in order to enroll in direct deposit.
Step 5  Click the Enroll in Direct Deposit button.
Note: Your bank must be a USA bank.

Step 6  Here you will enter your Bank Account information.
Enter the desired information into the Nickname field.

For this example, enter a valid value e.g., ‘Wells Fargo”

Step 7  Select the type of account you are adding. You can use either a checking or a savings account. For this example, checking has been chosen.

- DO NOT COPY AND PASTE ACCOUNT NUMBER
- DO NOT ENTER A DEBIT CARD NUMBER

Step 18
Click the Proceed to Enroll in Direct Deposit button.

Step 19
You are viewing your Bank Account Summary.

Note: If you wish to add another account, you would use the Add Another Bank Account button.
Step 20

Click the Bank Account Nickname list.

Here you will see a list of your bank accounts that you have added. In this example, you have only added one account. Click the checking account-6789 list item.

Step 21

Click the Next button.

Step 22

Use the Agreement page to review the bank information and agreement terms. Click the Yes, I agree to the terms and conditions of this agreement option. Next click the Submit button.
Step 23
You have enrolled in direct deposit.

To look at your direct deposit summary, click the Go To Direct Deposit Summary button.

Step 24
Use the Direct Deposit Summary page to review the details of your direct deposit distribution.

To Modify your direct deposit information, click the Modify Direct Deposit button.

Step 25
Once you successfully set up direct deposit, you will receive an email at your UML student email account. If you do not receive this email, log back into your account, and complete the steps in this job aid.

When setting up direct deposit, please verify your routing and account numbers are accurate to ensure your funds get deposited into your account. If these numbers are incorrect, your direct deposit will be rejected, and your refund CANNOT be reprocessed until the funds are credited back to your account in SiS.
