Honor Code

I agree to adhere to the Honor Code of the Physical Therapy Department throughout my tenure in the Exercise Physiology program. I understand I am responsible for complying with professional standards of behavior. I understand prohibited practice and behaviors include cheating, lying or plagiarizing. The preservation of integrity in the academic process is an exercise of professional judgment. The Honor Code also requires that I will report to the faculty observable behaviors in other students who violate the Honor Code. The preservation of integrity in academic process is a responsibility of everyone.
