Undergraduate Minor in Education

The Graduate School of Education offers a minor especially designed for those students who are considering a career as an elementary teacher. We also offer a minor for students who are generally interested in education or who might consider entering middle or high school teaching. A fast track into teaching is available with the minor for students considering middle or high school teaching; contact Dr. Ossen at the beginning of your senior year.

- Both minors in education consists of 18 credits
- All course pre-requisites must be satisfied
- Freshmen are not eligible to begin the minor
- Students will be required to complete a CORI (Criminal Offender Record Information) background check in order to visit or work in classrooms.
