INTRODUCTION
The B.A. or B.S./M.Ed. Fast Track Program to Teaching is designed for high achieving University of Massachusetts Lowell undergraduates who seek to pursue a career in teaching at the middle/secondary levels. The program leads to a master of education degree in curriculum and instruction, including initial Massachusetts teacher licensure. The program may be completed in one or two years.

ADVANTAGES
- two degrees plus teacher licensure in five years;
- six graduate credits may be taken in the senior year, provided the student has been accepted to the program and all other undergraduate requirements have been fulfilled
- these six credits can double count towards your undergraduate and graduate degree*
- scholarship opportunities;
- early advisement;

*A grade of B or better is required in these graduate courses to be counted into the graduate degree

FOR ADMISSION TO THE M.ED PLEASE COMPLETE THE APPLICATION PROCESS AT WWW.UML.EDU/GRAD
University of Massachusetts Lowell undergraduate students may apply to the program during the fall semester of their senior year. Successful applicants must have an undergraduate major in the specialization field in which they are seeking licensure as follows:

- Biology 36 cr. in biology + 18 cr. in other sciences
- Chemistry 36 cr. in chemistry + 18 cr. in other sciences
- Physics 36 cr. in physics + 18 cr. in other sciences
- Earth Science 36 cr. in an earth science + 18 cr. in other sciences
- English 36 cr. in English
- Mathematics 36 cr. in mathematics
- History 36 cr. in History

2. Applicants are expected to have a minimum grade point average of 3.0 in undergraduate work.

3. Applicants to the Fast Track Program must pass the MTEL- Massachusetts Tests for Educator Licensure (Communication and Literacy (test 01) and Subject Area Test) are required.
