

Genetic Counseling Career Day

Carrie Hall, Brigham and Women's Hospital
15 Francis St, Boston MA (to the right after you enter the lobby)

Monday, June 5, 2017 8:30 am - 3:30 pm

Heard about genetic counseling? Interested in hearing more about this exciting and expanding profession? Come find out the many roles that genetic counselors have, interact with genetic counselors from Brigham and Women's Hospital and learn about the application process from area genetic counseling programs.

Sessions include:

History of genetic counseling · Genetic counseling specialties
Admission to graduate school · Career paths
Clinical case examples and discussion

———— Lunch will be provided ————

Organizers:

Nikkola Carmichael, CGC (BWH Genetics and Genomic Medicine)
Lori Dobson, CGC (BWH Center for Fetal Medicine and Prenatal Genetics)

Space is limited
