Senior Research Grant Application

Description: The Honors College **reimburses** up to \$500.00 for materials and/or activities related to the Honors Project or Honors Thesis. The amount of money awarded will be determined by available funding. **Note: All receipts must be saved to receive the reimbursement.**

Eligibility: To be eligible, a student must be an active member of the UMass Lowell Honors College, working with a faculty mentor on their honors project or thesis. The honors student must also have an overall "OK" status with the honors college. If you are unsure of your current overall status, please check with your Honors Advisor.

Application Deadline: Honors students who apply should submit a completed application packet to the Honors College (O'Leary Library 301) by the end of add/drop period of the semester they plan to incur the expense. *Note: Funding is based on availability and applications will be accepted up to one semester before the expense will be incurred.*

Application Packet:

1. Senior Research Grant Application (this form).
2. A two-page project proposal including an introduction, significance of the research, a timeline, and a plan for presenting and/or publishing the work.
3. A one-page budget with an explanation why each item is relevant to the research and how and when it will be purchased.
