

**RHED Interprofessional Engagement (IPE)
Student Assignment Rubric (2 Courses and 2 Experiences)**

Please review the RHED Interprofessional Engagement track rubric carefully, then write a reflection (recommended minimum of 2 pages, single-spaced) that describes how this RHED achievement helped you develop your skill set. Provide your own thesis and develop it using specific details that show your readers what you've gained from this course or experience in relation to the outcomes. Be sure to proofread your reflection.

Note: The use of Artificial Intelligence (AI) tools, including but not limited to generative technologies and similar platforms, is strictly prohibited in completing the reflection paper.

IPEC Competencies	IPEC Definition
<i>1) Values and Ethics</i>	Work with team members to maintain a climate of shared values, ethical conduct, and mutual respect.
<i>2) Roles and Responsibilities</i>	Use the knowledge of one's own role and team members' expertise to address health outcomes.
<i>3) Communication</i>	Communicate in a responsive, responsible, respectful, and compassionate manner with team members.
<i>4) Teams and Teamwork</i>	Apply values and principles of team science to adapt one's own role in a variety of team settings.
