An International Student wishing to return to academic participation following a semester of reduced or no course load for medical reasons must provide appropriate medical documentation from a licensed medical or mental health provider (medical doctor, doctor of osteopathy, or clinical psychologist) who is knowledgeable of the student's health history and has treated the student for the condition necessitating the medical leave. This documentation must indicate that it is appropriate and safe for the student to resume academic coursework at the beginning of a specified semester/term. A Readiness for Return form must be competed in full and submitted to the Wellness Center at the address above.
