Using Synthetic Control in Evaluation
Jason Rydberg presented during the CPE’s March Brown Bag

Jason Rydberg, Assistant Professor in the School of Criminology & Justice Studies, presented how he is using synthetic control to analyze Data driven approaches to crime and traffic safety (DDACTS) from Flint Michigan. Jason is currently working on a manuscript that incorporates this data.

AEA Evaluation 2016 Call for Proposals

Please consider submitting a proposal for American Evaluation Association (AEA). The CPE would like to have as many members as possible at this conference.

Conference: October 24-29, 2016
Atlanta, Georgia
Evaluation 2016 Theme: Evaluation + Design

Social Science Methods Collection
is Currently Looking for Donations!

The social science methods collection, located on the 4th floor of O’Leary Library, is currently looking for donations. If you have any methodological texts you would like to donate, please bring them to the CPE Office (O’Leary 512). Be sure to clearly mark what collection the materials should be catalogued in.

CPE Poster Presentation
Jill Lohmeier Presented at the Faculty Research Symposium

On March 3, 2016, Jill Lohmeier did a 90 second presentation on the Center for Program Evaluation for a group of faculty members at UMass Lowell’s Annual Faculty Research and Creative Work Symposium and Recognition Reception sponsored by the Vice Provost for Research. The poster from the presentation is now hanging outside the CPE office on the 5th floor of O’Leary Library. Check it out the next time you visit the area.

Do you have something to share in our next newsletter? Do you know anyone who would be interested in joining the CPE? Please let us know at cpe@uml.edu.
