CPE Student Affiliate Won Poster Presentation

Kyleigh Clark took home cash prize

CPE Student Affiliate Kyleigh Clark, a Criminal Justice graduate student, was one of the poster presentation winners at the 2016 UMass Lowell Student Research Symposium. Each student had to give a three minute judged presentation that confidently and concisely communicated their research with only one slide. A brief, two-minute question and answer session followed each presentation. Cash prizes were awarded to top presenters. Other CPE Student Affiliates who participated in the Symposium include: Elizabeth Farmosa, Christopher McKallagat, and Shanna Rose Thompson.

CPE is being bombarded with requests for evaluators for grant proposals! If you would like to be an evaluator for a proposal, please contact Jill Lohmeier at cpe@uml.edu; 4-4617. We can help you with the budgeting, etc.

Center Manager Successfully Defends Dissertation

On April 1, 2016, Shanna broke a record for the Graduate School of Education (GSE) and had 38 people attend her dissertation hearing. She presented on her year-long study entitled, An Ethnographic Inquiry into the Dynamic Nature of the Resilience Building Process of Teachers in an Alternative High School. Her committee included three CPE Faculty affiliates: Stacy Szczesiul (Chair), Jill Lohmeier, and Judy Davidson as well as James Nehring.
