APPLYING FOR FINANCIAL AID
YOUR FINANCIAL AID ELIGIBILITY

Eligibility for financial aid begins with filling out the Free Application for Federal Student Aid (FAFSA). You must file the FAFSA every year online at [fafsa.gov](http://fafsa.gov), or by downloading the myStudentAid app. beginning October 1.

TERMS AND CONDITIONS

Financial aid applicants must meet the following key criteria to receive most types of financial aid:

- Be enrolled or accepted for enrollment into a degree granting or approved certificate program. Students enrolled in non-degree programs are not eligible for financial aid.
- Be matriculated in at least 6 credits per semester (some grants require full-time enrollment).
- Be a U.S. citizen, permanent resident or eligible non-citizen as defined by the federal government.
- Have a valid Social Security Number.
- Register with the Selective Service, if required ([www.sss.gov](http://www.sss.gov)).
- Maintain Satisfactory Academic Progress (SAP) toward degree completion.
- Not be in default or owe money on a federal or state student loan.
- Have a high school diploma, a General Education Development (GED) certificate, or have completed a high school education in a home school setting that is treated as a home school or private school under state law.

View additional eligibility requirements at [uml.edu/FAterms](http://uml.edu/FAterms).

DETERMINING YOUR FINANCIAL NEED

Financial aid is available to help you pay for college. We use the Cost of Attendance (COA) and Expected Family Contribution (EFC) to determine the amount and types of aid you may get.

**Cost of Attendance (COA)** is the estimated amount it should cost you to attend UMass Lowell for one academic year. COA is based on residency status, career level, and whether the student will be living on-campus, off-campus or commuting. COA includes both direct and indirect costs.

Find your COA online based on your career at [www.uml.edu/costofattendance](http://www.uml.edu/costofattendance).

**Expected Family Contribution (EFC)** is an estimate of the amount of money you (and your parents, if you are dependent) could reasonably contribute toward college costs. EFC is calculated by the Department of Education using the financial information on the FAFSA.

**Demonstrated Financial Need** is calculated by subtracting the EFC from the COA.

**Example:**

\[
\text{Cost of Attendance (COA)} - \text{Expected Family Contribution (EFC)} = \text{Demonstrated Financial Need (Need)}
\]

YOUR COST OF ATTENDANCE (COA)

**Direct Costs**: These are the charges you will see on your bill. Direct costs may include tuition, fees, on-campus room and board.

**Indirect Costs**: These are estimates of other expenses you may have while attending the university. Indirect costs may include books, off-campus housing and transportation.

UNDERSTANDING YOUR AWARD LETTER AND TYPES OF AID

Your financial aid award may consist of some or all of the following types of aid depending on your financial need.

Please note: all financial aid awards are contingent on funding.

CATEGORIES OF FINANCIAL AID

Need-Based Aid is awarded when you have demonstrated financial need, (i.e. your EFC is less than the COA.) Need-based aid includes federal, state and institutional grants, scholarships, student employment and subsidized student loans.

Non-Need Based Aid does not require you to have demonstrated financial need, (i.e. your EFC is greater than the COA.) Non-need based aid includes most merit scholarships and unsubsidized student loans.

Definition of EFC and COA found on page 5.

TYPES OF FINANCIAL AID

To view full descriptions, eligibility requirements and award amounts of each financial aid program visit uml.edu/typesofaid.

GRANTS AND SCHOLARSHIPS

Grants and scholarships are called “gift aid” because they are funds that do not have to be repaid. Grants and scholarships come from a variety of sources including the federal government, state government, university and private organizations.

Examples of Grants and Scholarships include:
- Federal Pell Grant
- Federal Supplemental Opportunity Grant
- Massachusetts State Grant
- DHE Cash Grant
- UMass Lowell Need-Based Grant
- UMass Lowell Scholarship
- Merit Scholarship*

*UMass Lowell offers a variety of merit scholarships for which incoming students are automatically considered when you apply to the university. Most awards are renewable annually if the scholarship standards are met. For a complete list of merit scholarships visit uml.edu/scholarships.

STUDENT EMPLOYMENT

Federal Work Study & the UMass Lowell Student Employment Programs provide part-time, on-campus jobs to eligible students with financial need. This allows you to earn money to help pay for your education. The programs encourage community service work and work related to your course of study.

UMass Lowell offers other employment opportunities, such as the Departmental Employment program and The Job Location and Development (JLD) program. Find out more and begin your job search at uml.edu/jobhawk.

OTHER SCHOLARSHIP OPPORTUNITIES

Visit UML’s Riverhawk Scholarship Portal at uml.edu/scholarship-search for information on endowed and departmental scholarships available to students at UMass Lowell.

Beginning February 1, you can complete the general application and find out if you qualify for one of the many endowed/departmental scholarship opportunities.

Visit uml.edu/externalscholarships for a listing of private scholarship opportunities.

SUMMER FINANCIAL AID

If you plan to take courses over the summer, you may be eligible to receive financial aid to offset the costs.

A separate application process is required to apply for summer financial aid and eligibility requirements must be met.

Find more detailed information and summer aid FAQ’s at uml.edu/summeraid.

FEDERAL STUDENT LOANS

A loan is money that is borrowed and must be paid back with interest. Repayment of student loans usually begins after you have completed your education or if your enrollment drops below half-time (6 credits).

Student loans made by the federal government usually offer borrowers lower interest rates and have more flexible repayment options than loans from banks or other private sources. Remember, you can borrow less than what is offered to you. You should only borrow what you need! Once offered, you can reduce or decline your federal student loans on your SIS student center.

Exit Counseling is required for Direct Loan borrowers who are graduating or dropping below half-time enrollment. To complete the Exit Counseling session, go to studentaid.gov/manage-loans.

SMART BORROWING TIPS

1. Borrow as little as possible to cover what is needed for education-related expenses.
2. Consider your estimated monthly payments. Don’t borrow more than you can reasonably afford to pay each month.
3. Taking out a loan is agreeing to a binding contract. Taking out a loan is an important financial decision that can affect you for years to come. It is critical you understand your loan options in order to make good borrowing decisions.

ADJUSTMENTS TO YOUR FINANCIAL AID

MOST COMMON REASONS FOR ADJUSTMENTS

Additional Aid: Internal or external scholarships, stipends, assistantships or other payments toward educational expenses not listed on your award letter must be reported to The Solution Center. Federal regulations require the coordination of internal and external awards with other financial aid awards. In situations when financial need has been met with financial aid funds, it is the university’s policy to reduce aid in the following sequence: student loans, student employment, and finally, grant aid.

Enrollment: Initial financial aid awards are based as follows: undergraduate = 12 credits, graduate = 9 credits, and online & professional studies = 6 credits. Any change in enrollment may result in an adjustment to your awards (including failure to attend some or all of your courses).

Residency: Changes in residency (i.e. out of state to in state) may require an adjustment to your financial aid.

Housing: Initial awards are based on housing choice reported on the FAFSA. Changes in housing status (i.e. dorm to commuter) may require an adjustment to your financial aid.

Grade Level: Changes in grade level due to transfer credits, evaluated after the initial financial aid package has been processed, may require an adjustment to your financial aid.

Verification: Changes after the verification process may result in changes to your financial aid package. For more information, visit uml.edu/verification.

Special Circumstances: You or your family may submit an appeal to review your aid eligibility due to loss of income, death or divorce, unusual medical and dental expenses, child care, and/or tuition expenses. For more information on appeals visit uml.edu/circumstances or email the Solution Center at thesolutioncenter@uml.edu

PAYING YOUR BILL

HOW TO ACCESS YOUR STUDENT EBILL

• University eBill notifications are emailed directly to the student’s university email account
• Students may access their University eBill online using their SIS Student Center (uml.edu/sis)
• Payment options are available in your SIS Student Center under Payment Options
• Students can grant parent(s)/guardian(s) user access to their student financial information through UShare online at uml.edu/ushare

For more information, please go to uml.edu/TheSolutionCenter.

DISBURSEMENTS TO YOUR BILL

Financial aid disbursements are made directly to your bill (except in the case of student employment). Disbursements are made after the add/drop period of each semester once enrollment, residency, grade level and housing are confirmed and all program requirements have been met (i.e. loan entrance counseling, promissory notes, verification, etc.).

SiS USHARE

SiS is UMass Lowell’s online student information system. You have the ability to grant your parents, guardians, spouse, employers or others access to your SiS account via UShare from the Student Center. In compliance with FERPA, only students may initiate and assign guest access. For more information visit uml.edu/ushare.

STUDENT EMPLOYMENT EARNINGS

Student Employment earnings are not automatically applied to your university bill, however, you may opt to have 70% of biweekly earnings applied toward your bill by completing a Withholding Enrollment Form with payroll. For more information visit uml.edu/jobhawk

FINANCIAL AID REFUNDS AND BOOK ADVANCEMENTS

Student Refunds: Credit balances resulting from overpayment or excess financial aid will be refunded to students each semester. Students can authorize the university to deposit credit balances directly into a designated bank account by enrolling in Direct Deposit through SiS Self Service. For detailed instructions on Direct Deposit, visit uml.edu/refunds.

Book Advancements: Students whose financial aid is in excess of the student invoice by $50 - $700 will be issued a book advancement. The amount comes from your financial aid award and the amount used at the bookstore will be charged back to your student account. Eligible students are notified via their university student email account. Students without a book advance should plan to pay for books on their own. To find out more visit uml.edu/bookvoucher.

MONTHLY TUITION PAYMENT PLAN

Monthly payment plans by semester are offered through Flywire. Semester bills can be divided into five, four and three month payments. The earlier you are able to sign up, the smaller the monthly payments will be.

Payment plans enable students and their families to pay the tuition, fees, and room and board in smaller, more affordable payments rather than in a lump sum. A payment plan is not a loan program and there are no finance or interest charges.

There is a $30 nonrefundable application fee per semester.

For more information, or to sign up online, visit your SIS student center and click on payment options.
MAINTAINING FINANCIAL AID ELIGIBILITY

APPLYING FOR FINANCIAL AID
You must reapply for financial aid each year, beginning Oct 1, by completing the FAFSA online at fafsa.gov with our Federal School Code: 002161. UMass Lowell priority filing deadline is March 1.

MERIT AID REQUIREMENTS
Maintaining Merit Aid: The Financial Aid Office evaluates the cumulative GPA of merit scholarship recipients at the end of each spring semester. You must maintain the minimum cumulative GPA requirement of the scholarship program to have the award renewed. For most merit programs, you must be enrolled full time in day school courses each semester. Please refer to your original award letter for renewal criteria. If you are not meeting program requirements, appeals may be sent to scholarships@uml.edu. Visit uml.edu/scholarships for more information.

MEETING SATISFACTORY ACADEMIC PROGRESS
You must meet satisfactory academic progress (SAP) standards to ensure progress is made toward your degree or certificate program. SAP standards apply to all federal, state and university financial aid programs.

- Undergraduate students must maintain a minimum cumulative grade point average of 2.0, maintain a minimum 70% completion rate and complete their program within the 150% program length.
- Graduate students must maintain a minimum cumulative grade point average of 3.0, maintain a minimum 70% completion rate and complete their program within the 150% program length.
- SAP evaluations are conducted at the end of each spring term for undergraduate and graduate students.
- Certificate students are evaluated at the end of each semester.

Students who do not maintain the university SAP standards become ineligible to receive financial aid with the option to appeal for reinstatement of aid. For the complete SAP Policy, refer to uml.edu/SAP.

WITHDRAWAL POLICY
Students withdrawing from the university are required to discharge all financial obligations to the university, return all university property, and complete the university withdrawal form on the Solution Center Website. Students should meet with a financial aid advisor prior to withdrawing in order to understand the financial impacts.

Students earn Title IV federal financial aid by attending and participating in classes. The amount of federal aid a student has earned for the enrollment period is based on the percentage of time the student remains enrolled for that period. The earned percentage is calculated by dividing the numbers of days within the enrollment period by the number of days attended.

The last date of attendance (or withdrawal date) is determined by the date the student officially submits the withdrawal form to the University, or otherwise notifies the University of his/her intent to withdraw.

The calculation of Title IV funds earned by the student has no relationship to the student’s incurred institutional charges.

Unofficial Withdrawal
An unofficial withdrawal occurs when a student enrolls in courses and either never attends any courses or stops attending all courses at some point during the semester without providing official notification to the University. Students receiving Title IV federal aid who unofficially withdraw will have their aid recalculated in the same manner as an official withdrawal.

For the complete, official withdrawal policy, please refer to uml.edu/withdrawal.

- You have the right to request a review of your financial aid eligibility.
- You have the right to request a reduction or cancellation of your student loans.
