PRE-ARRIVAL CHECKLIST

After receiving your visa document:

- Review this Pre-Arrival Guide;
- Verify that all the information on your visa document is correct. Please inform your UMass Lowell sponsoring department if your travel plans prevent you from arriving to the US prior to the start date listed on your visa document (found on either your DS-2019 or I-797 Approval Notice);
- Pay the I-901 (SEVIS Fee), found online at https://www.fmjfee.com/ - be sure to print a copy of your payment receipt to bring to your eventual visa interview;
- Purchase or make plans to purchase medical insurance coverage. The U.S. Department of State requires all individuals who enter the United States in J-1 status to have medical insurance for themselves and any accompanying J-2 dependents. Information about the health insurance requirements can be found in this guide;
- Arrange for your housing needs. Although ISSO is unable to assist you in arranging housing, this guide provides an overview of housing resources;
- Arrange for transportation from the Boston (Logan) airport to your hotel or apartment.

I-901 - SEVIS (Student & Exchange Visitor Information System) FEE

All J-1 visa applicants must pay the SEVIS fee of $180. The SEVIS fee must be paid at least three business days prior to the scheduled visa interview at the U.S. Consulate. For most individuals, the SEVIS fee can be paid by electronically completing the Form I-901 and paying with a credit card through the Internet at https://www.fmjfee.com/ . You will need the information from your DS-2019 in order to complete the SEVIS Fee payment.

Please print the electronic receipt immediately after payment has been made. You must show the receipt to the consular officer at the time of the interview. Spouses and dependent children (J-2s) do not pay this fee. The SEVIS fee is not a visa application fee. It is used to operate and maintain the SEVIS database. The fee is non-refundable, even if the visa application is denied.

APPLYING FOR A J-1 / J-2 VISA

A valid J-1 visa is required to enter the United States on the Exchange Visitor Program. For information on processing times and procedures, visit the U.S. Department of State at travel.state.gov.

- Before you make your visa appointment, you are required to pay the $180 SEVIS Fee (I-901 Fee). Please check this website for details on how to pay the fee on-line,
https://www.fmjfee.com/i901fee/. Be sure to print the receipt of payment, as you will need to provide it at the U.S. Embassy or Consulate at the time of your interview.

- Follow the necessary visa application form(s) and fees, as outlined in the Non-Immigrant Visa Application section of the embassy you are planning to visit, http://www.usembassy.gov/. There may be a reciprocity fee for your country, please check this list for details, https://travel.state.gov/content/visas/en/fees/reciprocity-by-country.html

The following is generally required for the J-1/J-2 visa application:
- Signed Form DS-2019(s). A separate form is required for all visa applicants. The J-1 should sign the bottom of the first page of all forms and submit them for the visa application. The DS-2019(s) will be returned to you to present at the U.S. port of entry.
- Receipt showing payment of the SEVIS fee (J-1 visa only).
- Payment of the visa application fee, and appropriate visa application forms (see U.S. Consulate webpage), for each visa applicant.
- Passport(s) valid for at least 6 months into the future, for each visa applicant.
- Proof of ties to your home country. Consult the website of your local U.S. Consulate/Embassy for suggestions.
- Proof of financial support. You must be able to verify the total funds indicated on the DS-2019 with a personal bank statement and/or a sponsor’s official statement of support. If you are receiving payment from UMASS Boston, you may request a letter from the host department that specifies your position and salary.
- Two passport-size photos for each visa applicant is required
- J-1 Invitation letter from the host department at UMass Lowell
- Marriage certificate and birth certificates (in English with attached translation) of children carrying their own passports (J-2 visa only).

When your visa is approved, the consular officer will return Form DS-2019 to you. You should present it at the U.S. port of entry. Sometimes the Form DS-2019 is returned to you by the U.S. Embassy in a sealed envelope. If this happens, please do not open the envelope. It will be opened by an Officer at the Port of Entry to the U.S.

At the Port of Entry, the officer will return Form DS-2019 to you. The officer will provide each admitted nonimmigrant traveler with an admission stamp on their passport. It should state “J/l – D/S”. Learn more about the electronic I-94 card, which will be accessible to you only at the Port of Entry, by visiting this website, www.cbp.gov/I94. Be sure to print your I-94 card as soon as you are able to after arriving in the U.S.
You should always keep Forms DS-2019 and a copy of the electronic I-94 card information with your passport. They are your only proof of J-1 status, and you will need them for such purposes as extending your permission to stay in the U.S., work permission, and applying for a Social Security card. Keep all forms, including DS-2019, permanently.

**APPLYING FOR AN H-1B / O-1 VISA**

While many new H-1B or O-1 employees will change status within the United States, some will need to first obtain an H-1B visa from a US Embassy abroad before entering the US in H-1B status. Further, the first time a new H-1B or O-1 that has changed status within the US has left the US, they will need to obtain their new visa stamp at the US Embassy abroad.

Please consult UMass Lowell’s outside immigration counsel as to the necessary steps to applying for an H-1B or O-1 visa. You will need the following when applying for the visa abroad:
- Form I-797C Approval Notice for H-1B or O-1 status;
- UMass Lowell offer or invitation letter;
- Evidence of recent pay statements from UMass Lowell, if applicable;
- Photocopy of the entire H-1B petition – will be provided by attorney*

* The copy of the petition will include all documents related to your eligibility for H-1B/O-1 status, as well as UMass Lowell’s ability to sponsor an H-1B /O-1 employee.

**APPLYING FOR A TN VISA**

The North American Free Trade Agreement, encompassing the former U.S.-Canada Free Trade Agreement, created a temporary employment category that is available only to Canadian and Mexican citizens.

In order to qualify for this category, a Canadian or Mexican citizen must be qualified to practice in a profession approved by the NAFTA program (which typically includes accountants, engineers, lawyers, pharmacists, scientists, and teachers.)

The International Students & Scholars Office can provide you with a list of these professions. The Mexican or Canadian citizen will need to have a job offer from a U.S. employer to engage in business activities at a professional level.

**Part I – Documentation Needed**
The applicant must be in possession of a letter on the company’s official letterhead from the prospective U.S. employer. The letter must affirm the following:

- Person’s name;
- Date of birth;
- Person’s prospective job title;
- Brief Job Description;
- Required Educational Credentials for the position (must possess a minimum of a Bachelor’s degree);
- Whether or not any state and/or Federal licenses are necessary for the position;
- Prospective salary to be paid;
- Anticipated employment dates (employment cannot go over three years from the date the person enters in TN status).

In addition, the above-mentioned letter from prospective employer, candidate should present:

- Mexican or Canadian passport (passport must be valid for 1 & ½ years into the future);
- Academic Credentials;
- Resume;
- Licenses, if applicable;
- Birth Certificate;

Part II – Preparing to Enter the U.S.

**Canadian Citizens** can apply for TN status at any Class A port of entry. The fee for the application at the port of entry is approximately from $50 - $100. If found admissible, the applicant will be issued an I-94 card for a maximum period of three years and can bring his spouse and minor unmarried children. The dependents of the TN visa will be issued the visa classification of TD. These persons will be admitted for the duration of the TN principal alien’s stay. They may attend school in the U.S. but are not eligible to work or receive any form of funding from any U.S. source. Canadian citizens do not apply at a U.S. Embassy/Consulate, they process their TN visa at the port of entry.

**Mexican Citizens** can apply for TN status at a U.S. Embassy/Consulate in Mexico. You need to present the documentation listed above in Part I. You will need to also present it at the port of entry. In addition, you will need to submit the appropriate visa application forms to the U.S.
Embassy/Consulate. Once you have obtained the TN visa stamp in your passport, then you can enter the U.S.

**Mexican TN Visa vs. Canadian TN Visa – what are the differences in the application process:**

- A Canadian citizen may apply at the port of entry to the U.S. by presenting all of the required documentation listed on Part I above.

- A Mexican citizen must first apply for a TN visa stamp in their passport at a U.S. Consulate or Embassy in Mexico by presenting all the documentation listed on Part I and Part II (b) above, then present the documentation from Part I above, again at the U.S. port of entry.

**Part III – Applying for an Extension of TN Status**

A TN professional can apply for extensions of stay to work for the same employer in increments of three years without limit on the number of extensions that may be granted. Permission to change employers must be obtained from the U.S. Citizenship & Immigration Services (USCIS) prior to any transfer to a new company.

In order to obtain an extension or submit a request to change employers, a TN visitor may have his/her employer file a Form I-129 with the appropriate USCIS Center. It takes 4-5 months to process by mail. Or, a TN visitor may leave the U.S. and make a new application. Canadian citizens would apply at the port of entry when returning to the U.S. Mexican citizens would apply at a U.S. Embassy/Consulate in Mexico. In either event, citizens of both countries need to present the same documentation as they did the first time applying for TN status, using an updated letter from their U.S. employer.

**Part IV – General Notes**

- The TN visa classification cannot be used for self-employment in the U.S.
- TN visa holders are subject to Federal, State and Social Security taxes.
- TD visa holders (dependents of TN) are not authorized to work in the U.S. or receive any form of financial support from U.S. sources.
  - TD visa holders are permitted to study in the U.S., while accompanied by the TN.
  - TD visa holders are only in valid status while the TN is in valid status.
ENTERING THE UNITED STATES

International scholars and their dependents are only permitted to enter the United States no sooner than 30 days prior to the start date on their visa document. J-1 visa holders, specifically, must arrive by the start date on their DS-2019 at the latest. Please ensure that your travel plans satisfy this requirement.

Please present the following documents to the U.S. Customs and Border Protection (CBP) officer at the U.S. port of entry:

- Passport(s) containing a valid J-1/H-1B/O-1 visa (or dependent visas for accompanying family members);
- Signed Form DS-2019(s) for you and any accompanying family members, or I-797 Approval Notice;
- Proof of financial support (same as the documentation presented at the U.S. Embassy or Consulate);
- Invitation / appointment letter from your UMass Lowell sponsoring department

TRANSPORTATION TO LOWELL FROM LOGAN INTERNATIONAL AIRPORT

Your Hiring Department at UMass Lowell may be able to assist you with transportation from the airport. If not, then the following may be helpful.

In case you need to secure your own transportation from the airport:

Logan International Airport in Boston is the closest international airport to Lowell. Make sure that you have enough small bills in US currency ($1, $5, $10, $20) to pay for your transportation. Most van services will accept a credit card, but for bus, subway and the commuter train you will need cash. There are several ways by which you may get to Lowell from Boston, Logan International Airport:

1) **By Taxi** – this will cost over $100.

2) **Public transportation** is also possible but not advisable given that you will have luggage and would have to take more than one train and/or bus to reach Lowell. But if you do choose to take some mode of public transportation, we recommend you take a taxi from the airport to North Station in Boston. From North Station take the "Commuter
Train" to Lowell. After arriving in Lowell take a taxi to get to your final destination. This option should cost approximately $35-$50.

3) The most convenient way to reach UMass Lowell from the Airport is to contact one of the following:

You can find furnished and unfurnished apartments in Lowell and the surrounding area, but rental costs and convenience (distance to campus, public transportation, shopping, etc.) can vary significantly.

**Renting an Apartment**
Decisions you will need to make:
- What is your annual budget, including monthly rent, heat, hot water and broker’s fee?
- How close do you want to live to UMass Lowell?
- Do you want to live alone or have roommates?
- If you’re bringing a family, and have children that need to attend public school, please see page 27
- Are you looking for a furnished or unfurnished apartment?

Other considerations:
- What is the lease commitment? (For your first rental, upon arrival, it is advisable not to sign a one-year lease until you are more familiar with the renting process, location, etc.)
- How safe is the neighborhood?
- Are heating and hot water included with your monthly rent?
- Is there a laundry facility?
• Will the apartment be noisy (Is it near an elevator or entry? Are the walls thin?)?
• Is the apartment, especially the kitchen and bathroom, in good and clean condition?
• Are you allowed to keep your bicycle in your apartment or in the basement?
• Are there any security features (particularly for ground floor apartments)?
• What is the overall size of living space?
• If you have roommates, how will the utility bills be shared?
• Is there sufficient natural sunlight and/or overhead light fixtures?
• Is the apartment close to public transportation?
• Is there a grocery store or shopping nearby?

The classified section in the local newspaper, The Lowell Sun, (http://www.lowellsun.com) is a good resource of information regarding apartments for rent.

Also, there are several rental agencies that can help you find an apartment. A few of them are listed below. (Please note this list is provided for your convenience and does not constitute an endorsement of these agencies by the University.)

**J-1 HEALTH INSURANCE REQUIREMENTS**

U.S. Department of State regulations require all J-1 Exchange Visitors to have medical insurance for themselves and any accompanying J-2 family members for the duration of their program.

Your health insurance must meet the following requirements for both you, and any J-2 dependents:

1) At least $50,000 for Medical Evacuation to the home country*
2) At least $25,000 for Repatriation of Remains*
3) $100,000 per accident or illness
4) A deductible not to exceed $500 per accident or illness
* Please note that the university pays for #1 and #2 above for all J scholars (i.e., Medical Evacuation and Repatriation of Remains). This is automatic and you need not take any action to obtain insurance to comply with #1 and #2 above. But IT IS YOUR RESPONSIBILITY to take care of coverage for #s 3 and 4 above.

**YOU ARE LEGALLY RESPONSIBLE** to maintain health insurance coverage for #3 and #4 above.

**If you ARE paid by UMass Lowell** AND are also eligible to receive health insurance benefits, then be sure to apply for health insurance coverage as instructed by the UMass Lowell Benefits’ Office. Please note that not all employees of UMass Lowell are eligible for health insurance benefits. If you are paid by UMass Lowell and are unsure of your health insurance eligibility, then feel free to contact the UMass Lowell Benefits’ Office with your questions at benefits@uml.edu or call them at 978-934-4100. They are located at 600 Suffolk Street, Suite 302, Wannalancit Business Center, East Campus, Lowell, MA 01854. If you are paid by UMass Lowell and you are eligible for UMass Lowell health insurance coverage, it will not happen automatically unless you enroll for it by completing the necessary paperwork for the UMass Lowell Benefits’ Office.

**If you ARE NOT paid by UMass Lowell** or if you are paid by UMass Lowell and ARE NOT BENEFITS ELIGIBLE, then you MUST purchase health insurance coverage that meets the J-1 regulatory requirements as per #3-#4 above.

The following is a “suggested” list of insurance companies that offer insurance coverage meeting the minimum J-1 insurance requirement. It is your responsibility to choose an insurance provider that best fits your personal situation/needs:

*Please note that J-2 dependents with work authorization are fully subject to Federal, Social Security and Medicare taxes and are not eligible for tax treaty benefits.*

**MANDATORY ORIENTATION FOR ALL NEW INT’L SCHOLARS**

The U.S. Department of State requires that your program sponsor provide you with an orientation. At the orientation session, an ISSO scholar advisor will validate your arrival in the Student and Exchange Visitor Information System (SEVIS) database. This notifies the Department of Homeland Security that you have arrived with the proper status, have begun your J-1 exchange visitor program and changes your SEVIS record to ACTIVE status.

Please appear at ISSO drop-in hours for your mandatory orientation held during the following times:

**Tuesday – Thursday**
9AM-11AM and 2PM-4M

You should bring the following to your orientation during your first week on campus:

- passport(s);
• I-94 card printed out at [www.cbp.gov/I-94](http://www.cbp.gov/I-94) (will only be available once you’ve entered the US);
• Visa document or Approval Notice(s);
• Proof of insurance coverage;

Dependent family members are welcome to attend the orientation with you; however, the primary beneficiary (scholar/professor) is the only individual who is required to attend. Note: If your family members do not accompany you to the orientation, please remember to bring their documents and insurance for verification.

**ESTIMATE OF EXPENSES**

Below is an estimate of approximately how much money you should plan to have in order to afford **basic** living expenses during your time at UMass Lowell:

**Living Expenses:** $21,600/yr. ($1,800/mo.)

**Dependent Expenses:**
- Spouse - $4,800/yr. ($400/mo.)
- Child - $2,400/yr. ($200/mo.)

Health Insurance costs - $300-$600 per month depending on person’s age, marital status and type of insurance provider. If you are entering into a UMass Lowell paid and benefitted position, please contact the UMass Lowell Benefits Office, [http://www.uml.edu/HR/Employee-Benefits/default.aspx](http://www.uml.edu/HR/Employee-Benefits/default.aspx) to obtain information on the cost to you. J-1 Exchange Visitors will be required to maintain a minimum level of health insurance. Please check page 10 for more detailed J-1 health insurance requirements.

It is important to note that you may not accept employment outside of UMass Lowell or outside of the objective listed in your UMass Lowell Invitation Letter. Therefore, you should not expect to obtain U.S. funding in excess of that indicated on your Visa Document (Form DS-2019 or Form I-797 Approval Notice, etc.)

All Visitors to the UMass Campus will be required to obtain a UMass Lowell Identification Card (ID card) at a minimal cost, [http://www.uml.edu/UCAPS/UCard/New-Faculty-Staff.aspx](http://www.uml.edu/UCAPS/UCard/New-Faculty-Staff.aspx)

If your funding is coming from UMass Lowell:

International Students & Scholars Office (ISSO) | ISSO@uml.edu | 978-934-2383
There may be a delay of up to one month before your first paycheck is received. Because of this, it is advisable for visitors to arrive with at least $3,000 to cover initial expenditures and deposits. A bank draft or cashier’s check in U.S. dollars (payable to yourself) is a convenient way to bring money to be deposited with a local bank. Since the bank draft or check will not clear for your use until 15-30 days after deposit, it is recommended that you bring part of this amount in traveler’s checks or cash.

If your funding is coming from UMass Lowell, you will be taxed. Please contact the UMass Lowell Payroll Services, https://www.uml.edu/hr/Payroll-Services/ with your taxation questions so you can plan accordingly. They will also be able to provide you information on tax treaties which apply to some countries. General information on foreign taxation also resides within the UMass Lowell Payroll website, http://www.uml.edu/HR/Payroll-Services/International-Employees.aspx

If you intend to drive and park on the UMass Lowell campus, there will be a campus parking permit fee, http://www.uml.edu/UCAPS/Parking-Decals-and-Permits/Parking-Decals-and-Permits.aspx

RENTAL COSTS
Most owners require one month's rent in advance. You should be prepared to pay up to three or four months’ rent before occupying an apartment (first and last months in advance, a refundable security deposit, and possibly a realtor's fee). Please arrive with sufficient funds (preferably in travelers' checks, not cash) for these initial expenses. Rent for a one-bedroom apartment generally ranges from $1,000 to $1,500 per month or more depending on the condition and location of the unit. The cost of a two-bedroom apartment varies anywhere from $1,300 to $1,800 per month or more. Furnished rooms, with or without cooking privileges, cost from $700 to $900 per month or more. The estimated monthly cost to share an apartment with a roommate ranges from $700 to $1000 per month or more per person. Utilities, such as heat, hot water, gas, and electricity, may range from $120 to $450 per month.

UTILITIES
The major utilities are telephone, electricity, hot water, and heat (electric, oil, or gas)

TELEPHONE
The average cost for local telephone service ranges from $30 to $80 per month. Long distance calls are billed separately. The cost to install a new telephone ranges from $37 to $90
ELECTRICITY
The voltage used in the United States for small appliances is 110-V (60 cycles). If you bring appliances which use 220-V to 240-V, you must use an adapter. Adapters are available for purchase; however, they are expensive. Monthly electricity costs vary from $30 to $100 per month depending on building size and usage.

HEAT
If heat is not included in your rent you should expect to pay from $90 to $350 per month, depending on the size of your apartment or house. To keep fuel costs to a minimum, thermostats could be set to about 65º F during the day and 55º to 60º F at night or when you are not at home during winter months.

PUBLIC SCHOOLS
The public schools that your children will attend are determined by the city you live in. Note that immunization records are required to enroll children in Massachusetts public schools. School transcripts are also helpful (though not required) for placement of children into appropriate grade levels. For details regarding Massachusetts’ public schools, http://www.doe.mass.edu/. You may also check the Massachusetts Assessment Comprehensive System (MCAS) by district, http://profiles.doe.mass.edu/.

CLOTHING
New England winters are very cold and you will need warm outer clothing and boots. Unless you own these items, it is usually easier and more economical to purchase them after you arrive. Winter coats vary in price from $70 to $300, depending on quality and materials. Winter boots cost from $50 to $150. Good quality used clothing is available at lower prices. Lightweight clothing is needed for the Boston area's hot, humid summers.

Above living expenses estimation is based on the estimated costs of health insurance, apartment rental costs, utility bill payments, etc.

TAX INFORMATION / SOCIAL SECURITY

As in most countries, the tax laws in the United States are complex. Tax treaty benefits, Social Security taxes and filing requirements depend on your visa status, the purpose of your visit, the number of days you will be in the United States and the history of your prior visits.

Taxation of Exchange Visitors
It is hard to generalize about specific tax situations. Under normal circumstances, visitors in J-1 status do not pay Social Security, or Medicare, taxes until they have been in the U.S. for two calendar years. However, U.S. source income is normally subject to federal income tax withholding at a 10-14% rate, or at a 30% rate for one-time payments for independent contractor services. If your country has a Tax Treaty with the United States, then a portion of your income is generally exempt from tax withholding for a certain period of time specified by the treaty.

Please contact Vanntha Sann, Payroll International Tax Treaty Specialist, for all queries related to taxation:

Social Security
A Social Security Number (SSN) is required for payment and taxes in the United States. Instructions on the SSN application procedure is discussed at your scholar orientation. You cannot file for a SSN until you have completed your scholar orientation. Please review the ISSO webpage discussing Social Security and obtaining the SSN at:

https://www.uml.edu/ISSO/Employment/Obtaining-SS-Number.aspx

Other General Information:

1) A UMass Lowell Identification Number is NOT a Social Security Number
2) You are permitted to open a bank account without a Social Security #, by presenting the bank teller with your passport/visa documentation. You may ask the bank teller for a W-8 Form, to complete, which permits you to open a bank account without a Social Security Number.

SETTING UP ELECTRICITY, TELEPHONE SERVICE, GAS SERVICE, ETC.

Acceptable Forms of Identification when you are new to the US:

As a general rule, you need to present two forms of identification to set up any of the above. In the U.S., it is common for companies to ask for a Social Security # or a Driver’s License. Since most of you will not have these immediately upon entering the U.S., you may want to present the following:
(The International Students & Scholars Office is always willing to write you a letter when necessary and to speak to a utility company on your behalf.)

- Passport
- Credit Card
- If no credit card available, you may also use your UMass Lowell ID along with your passport
- Visiting Scholars may want to present their UMass Lowell Invitation Letter

**BANKING INFORMATION**

One of the first things that you will need to do when you arrive in the area is to open a bank account. There are many banks in the Lowell area, some of which offer special student accounts. Information about banking services can be obtained from bank staff at the branch
offices. In addition to the banks listed at the end of this section, you can also go to the Greater Lowell Chamber of Commerce website and search for additional local banks at http://business.greaterlowellcc.org/list

To open a bank account, you will need:

- Passport
- UMass Lowell ID and invitation letter from hiring department
- Foreign address
- Local address
- Your deposit (a sum of money required to open the account)

When you open your bank account, make sure to ask any questions you may have about purchasing and payment protocol in the US. Also, have them clarify all fees and rates they may charge for certain transactions. For example, most banks will charge a fee for use of non-bank Automated Teller Machines (ATM).

Note that some businesses prefer certain methods of payment over others and may restrict what they accept from their customers. Methods of acceptable payment in the US include:

- Cash
- Credit or debit card (e.g. Visa, Discover, Mastercard)
- Check
- Money Order or Bank Check

Note: **You do not need to have a Social Security # to open a bank account.** Until you obtain a Social Security #, you simply need to complete Form W-8 at the bank. All banks have this form. Some bank tellers are not aware of it, so you may need to inform them. The International Students & Scholars Office will assist you with the Social Security Application process upon your arrival.

The following local bank listings and locations are suggestions only, and do not reflect an endorsement by our office. Visit their respective websites for more information.

Make sure you carefully read all terms of agreement and verify all details before accepting any offers. You have the right to refuse any offer you do not want or are unsure about.

Be wary of potential scams involving the stealing of identity, bank information or credit card information. Please review the following link for more details:

**212(e) TWO-YEAR HOME RESIDENCE REQUIREMENT**

Exchange Visitors and their dependents may be subject to the Two-Year Home Residence Requirement. This requirement is different from the 12-month and 24-month bars mentioned below. It is very important to read and understand section 1(a) on the second page of the enclosed Form DS-2019.

The 212(e) requirement is normally associated with government funding (your country’s or U.S. government funding) and/or the skills list. To see if your country and skill results in this requirement, please check the skills list at:

https://travel.state.gov/content/visas/en/study-exchange/exchange/exchange-visitor-skills-list.html
If you are subject to 212(e), it does not mean that you cannot return to the U.S. for two years in any nonimmigrant status, (for example, in student or tourist status). However, it does mean that you cannot change status in the U.S. or obtain a work visa (H-1B), permanent residency (green card) or an intra-company transferee visa (L-1A/B) unless this requirement is waived or until it is met. For more in-depth information on the Two-Year Home Residence Requirement, please see the ISSS website.

The Consular Officer may indicate this requirement on your visa and/or DS2019 and a U.S. CBP officer may indicate it on your I-94 card when you enter the United States; however, the Department of State Exchange Visitor Program has the final determination concerning this requirement.

**REPEAT PARTICIPATION BARS**

**12-MONTH BAR**

USCIS regulation 22 CFR 62.20(d)(ii) established a “12-month bar” on beginning a new J-1 program as a Research Scholar or Professor for those persons who spent the previous year in the U.S. in any J status (J-1 or J-2). The bar does not apply to transfers from one institution to another, to persons who were Short-Term Scholars or to persons whose J program lasted less than six months.

**24-MONTH BAR**

USCIS regulation 22 CFR 62.20(i)(2) established a “24-month bar” on repeat participation as a Research Scholar or Professor for those persons were present in the United States in J-1 Research Scholar or Professor Category on or after Nov. 17, 2006. The bar does not apply to transfers from one institution to another.

*Please note that these bars only prevent new programs for Research Scholars and Professors who have previously held J status. They do not prevent someone who has held J status from beginning a new program as a J-1 Student or a Short-Term Scholar. Once the applicable 12-month or 24-month time period has lapsed, exchange visitors are again eligible to begin a program in any J category.*

International Students & Scholars Office (ISSO) | ISSO@uml.edu | 978-934-2383
EMployment in the J-1 Scholar/Professor Category

The purpose of the Exchange Visitor Program is “to increase mutual understanding between the people of the U.S. and the people of other countries by means of education and cultural exchanges.” Some Exchange Visitors are employed at UMass Lowell, but the primary activity is to gain, contribute, impart and share specialized skills.

While the visitor may be employed at UMass Lowell, employment is secondary to the purpose of the exchange visitor’s admittance to the US. The J-1 visa is not an employment visa.

Therefore, options for employment outside the host institution are limited. These are classified as occasional lectures or short-term consultations, and are not to be considered employment. The term “occasional” embodies the concept of a single event rather than an ongoing activity.

The criteria for an occasional lecture or short-term consultation is that it must be directly related to the objectives of your program, must be incidental to your primary program activities, and must not delay the completion date of your program at UMass Lowell.

Because you may not be classified as an employee, any wages or remuneration you receive will require you to act as [and be paid as] an independent contractor.

J-1 Program and Key Definitions

The following information is provided by the U.S. Department of State. We include it in this guide according to the Department of State’s requirements for J-1 Program Sponsors.

The U.S. Department of State administers the Mutual Educational and Cultural Exchange Act of 1961, as amended. The Act promotes mutual understanding between the people of the United States and other countries by means of educational and cultural exchange. The Exchange Visitor Program provides foreign nationals with opportunities to participate in exchange programs in the United States and then return home to share their experiences.

Sponsors

The U.S. Department of State designates sponsors to administer individual exchange visitor programs. Sponsors are U.S. organizations such as government agencies, academic institutions, educational and cultural organizations, and corporations. They screen and select exchange visitors participating in their programs, provide them with pre-arrival information, an orientation, and monitor their activities. Sponsors offer exchange visitors cross-cultural
activities that will expose them to American society, culture, and institutions. Exchange visitors are encouraged to voluntarily participate in activities that provide them with an opportunity to share their language, culture, and history with Americans.

**EXCHANGE VISITORS**
An exchange visitor is a foreign national selected by a sponsor to participate in an exchange program, and is issued a J-1 visa. An accompanying spouse and any unmarried children under 21 years of age, may apply for J-2 visas, with the permission of your sponsor.

**RESPONSIBLE OFFICERS**
Sponsors appoint individuals as responsible officers and alternate responsible officers to advise and assist exchange visitors. These officers issue the Certificates of Eligibility (Form DS-2019), and conduct official communications with the Department of State and the Department of Homeland Security (DHS) on your behalf.

**RULES AND REGULATIONS**
It is important that you understand and abide by the Exchange Visitor Program regulations, U.S. laws and sponsor rules. Regular contact with your scholar advisor will help you keep current of any changes, which may affect your J status.

**ACTIVITIES AND PROGRAM PROVISIONS**
You will enter the United States in one program category, and will be required to engage in that category and subject/field of activity listed on your form DS-2019. You must comply with the specific program provisions of the regulations relating to your program category.

**MAINTENANCE OF STATUS**
You are required to have a valid and unexpired Form DS-2019. Sponsors may terminate an exchange visitor’s program for violating U.S. laws, Exchange Visitor Program regulations or the sponsor’s rules governing their particular program.

**NOTIFICATION**
You must inform your scholar advisor if you change your address or telephone number, or complete or withdraw from your program early. Doing so will assist your sponsor in complying with their notification and reporting requirements to the U.S. Department of State.
INTERNATIONAL FACULTY, RESEARCH SCHOLAR, AND STAFF VISA CATEGORIES

J-1 Exchange Visitor  (The J-1 visa document – Form DS-2019 can be issued for either student or scholar category. You may refer to the “F-1 & J-1 Student Status” section above for requirements pertaining to F-1 and J-1 “student” status.)

- This visa category is NOT intended for permanent positions such as tenure-track.
- J-1 Visiting Scholars can be self-funded (making it feasible for visiting unpaid scholars).
- J-1 scholar must intend to return home (not appropriate for tenure-track or permanent positions)
- All J-1 & their J-2 dependents must maintain health insurance, in particular, repatriation of remains and medical evacuation benefits).
- Dependents of J-1 (J-2 status) are authorized to apply for work authorization upon arrival with ISSO assistance.

H-1B - Specialty Occupation Category

- This visa category is only intended for paid positions of a specialty nature (individual must have a Bachelor’s).
- UMass Lowell must pay prevailing wage for the position as determined by the Department of Labor.
- This is the visa category most used for long-term faculty positions or tenure-track positions.
- The maximum amount of time on H-1B status is six years (with a maximum initial period of three).
- Concurrent employment is permitted; each employer must apply for an H-1B petition.
- Dual intent is allowed (i.e., person can intend to immigrate to US).
- H-4 Dependents are not permitted to apply for work authorization.
- There are significant fees associated with the H-1B Application Process (including the attorney fees), approximately $2,500. Fees must be paid by the employer.
  - It is illegal for employer to charge the H-1B employee for H-1B processing fees.
**TN - Professionals from Canada or Mexico**, part of The North American Free Trade Agreement (NAFTA)

- The TN is only to be used for temporary employment (not appropriate for tenure-track or permanent positions)
- It can be issued indefinitely in three-year increments.
- Dependents (TD visa holders) are not permitted to apply for work authorization.
- There is minimal paperwork. A letter from UMass Lowell’s sponsoring department will usually suffice.

**O-1 - Workers of Extraordinary Ability**

- O-1 category requires considerable documentation and is best reserved for the most highly qualified professors, researchers, and artists with a high level of expertise (i.e., top in their field).
- The level of paperwork required for this category is similar to the permanent residency application.
- O-1 permits concurrent employment, but each employer must apply for a separate petition.
- O-1 can be granted for a maximum initial period of three years, with one-year extensions possible indefinitely.
- Dependents (O-3 visa holders) are not permitted to apply for work authorization.
- The filing fees for an O-1 are typically similar to those for an H-1B, as mentioned above.

I trust that you find this guide helpful in your adjustment to the United States and UMass Lowell. As always, if you have any further questions or concerns, do not hesitate to contact the ISSO.
