The Power of Endowed Scholarships
A Message From the Chancellor

I love talking with our students when I run into them on campus: How are your classes? When’s the big game? Where will you be interning?

Their stories are inspiring and their enthusiasm is infectious. Inevitably, the notion of luck comes up. Because nine out of 10 of our students are on financial aid, many of them note how “lucky” they are to have received endowed scholarships.

Donors like you make it possible for students to be here at UMass Lowell. You give deserving students top-notch learning and research opportunities—and also lifelong friendships and River Hawk memories. In short, you are helping prepare a new generation of innovators and leaders to succeed in the world.

Through endowed scholarships, donors can proudly say, “I help change lives.” Your generosity represents the difference between what talented, promising students can afford and what they can achieve.

We soar, because we can count on you. And that’s priceless.

For your dedication and friendship, thank you.

Jacqueline F. Moloney ’75, ’92
Chancellor

To learn more about the impact of your gift, visit uml.edu/ourlegacy-ourplace.
Juggling two part-time jobs and a full academic course load is becoming less and less common at UMass Lowell, thanks to generous alumni and friends like you. Because of endowed scholarships, many fortunate, grateful students no longer have to weigh tough choices, like books over groceries, tuition over daycare or studying over working so that they can make ends meet.

Endowed scholarships are a promise of hope and help for generations to come. Over the years, they have supported thousands of students in need and created lasting bonds between donors and recipients.

This past year, UMass Lowell was able to meet more than 90 percent of demonstrated need, thanks to kindhearted alumni and friends like you.

“Much of my success in life stemmed from my engineering education. As a veteran who received free tuition, I felt I had an obligation to do something positive for the university that helped me succeed as an engineer. My wife and I endowed a scholarship for veterans—we hope that others will consider changing lives in this gratifying way.”

- Ken Classon 71
Established the Ken 71 and Louise Classon Endowed Scholarship Fund
Three hundred and thirty-two endowed scholarships are currently changing lives at UMass Lowell.

What will your legacy be?

An outright gift or a multi-year pledge of $25,000 will establish an endowed scholarship—and your lifelong legacy at UMass Lowell.

There are many options for endowments, including a named memorial or family scholarship, and you may indicate preferences in how your scholarship is awarded to students. Each year, these thankful recipients show their gratitude through letters, emails and at a special luncheon.

To learn more about how you can establish an endowed scholarship or support an existing fund, please contact the Office of University Advancement at 978-934-3689.
Abigail Giarrosso

Kennedy Family Merit Scholarship

“This scholarship means far less financial stress for me while I pursue my education—I am excited and relieved! Also, being chosen as a recipient among my peers in the highly respected Kennedy College of Sciences fills me with pride and validates my hard work.”
This scholarship is making it possible for me to afford the additional coursework associated with transitioning from an Ed.D. to a Ph.D., Leadership in Education program. I am proud of my UMass Lowell education and the impact it is preparing me to make.

Danielle Ricci

Graduate School of Education Centennial Scholarship

“This scholarship is making it possible for me to afford the additional coursework associated with transitioning from an Ed.D. to a Ph.D., Leadership in Education program. I am proud of my UMass Lowell education and the impact it is preparing me to make.”
“For the most part, I am paying my tuition myself. Because of this scholarship, I can reduce my 25-hour-a-week workload and better focus on my classes and growing my leadership skills through my role as vice president of the UMass Lowell chapter of the Association of Latino Professionals For America.”
Being a graphic design and photography student requires advanced equipment, in addition to typical college expenses including tuition and fees, textbooks and other supplies. Thank you for making it possible for me to afford this equipment so that I can be successful in my coursework, internship and community service activities.

ASHLEY BOLIS

Charles Carroll Scholarship Endowment Fund

“Being a graphic design and photography student requires advanced equipment, in addition to typical college expenses including tuition and fees, textbooks and other supplies. Thank you for making it possible for me to afford this equipment so that I can be successful in my coursework, internship and community service activities.”
Receiving a family-endowed scholarship means so much, because, in my experience, UMass Lowell truly is a family place—a second home for my twin sister, our younger brother and me. Thanks to generous donors, we can stress less about finances and focus on our plastics engineering majors, varsity sports and maintaining our Dean’s List GPAs.”

Laura Kender
Dandeneau Family Endowed Scholarship Fund

“Receiving a family-endowed scholarship means so much, because, in my experience, UMass Lowell truly is a family place—a second home for my twin sister, our younger brother and me. Thanks to generous donors, we can stress less about finances and focus on our plastics engineering majors, varsity sports and maintaining our Dean’s List GPAs.”

Invest in our future
“Years ago, as a young UMass Lowell undergraduate, I never dreamed I would continue my education at the doctoral level. But now as I hone my dissertation, I am inspired by the university’s commitment to graduate nursing students and most sincerely wish to thank donors for their generosity and kindness.”
