Start Living a Healthier & Happier Life!

Whether you are new to exercise or want to take your workouts to the next level, our personal training staff can assist you in reaching your goals. Our fitness staff will provide you with the education and instruction you need to reach your health and fitness goals. Our personal trainers are students at UMass Lowell who are either EP/PT students and/or hold a personal training certification. Students, faculty, staff & CRC members are welcome to sign up!

Free Fitness Assessments

Find out your starting fitness level today! Tests include body composition, cardiovascular endurance, muscular strength & endurance and flexibility. This data will give you a snapshot of your current fitness level and can help you target realistic goals. Limit one free fitness assessment every 6 months.

Personal Training Packages

Each package includes two sessions. In the first session you will complete a comprehensive fitness assessment and in the second session you go over the results and be given a customized workout plan. After you complete the initial package you can sign up for additional sessions where your trainer can monitor and motivate you as well as modify your workout plan over time.

**Individual Package:** Students-$45; Non-Student Members-$60
**Partner Package:** Students-$30/partner; Non-Student Members-$50/partner

**Additional 1-hour Sessions:** Individual: Students-$15/session; Non-Student Members-$30/session
**Partner:** Students-$10/partner; Non-Student Members-$20/partner

How do you sign up?

Simply stop by the Campus Recreation Center or Riverview Fitness Center to fill out the appropriate paperwork and make payment (if applicable). Inside each packet you can select the times that work best with you that match up with our personal trainers. One of our fitness staff will contact you within 24-48 hrs to schedule your first session.

Our Outdoor Adventure Program (OAP) aims to provide the university community with fun, safe and adventurous experiences that will teach lifetime skills, teamwork, foster character, leadership and the adoption of healthy lifestyles. Participants of all skill levels are welcome on our trips! Please browse the various upcoming outdoor programs and workshops we are offering below.

Biggest Loser Program - Spring 2014

Our Biggest Loser Program is not just for people who want to lose weight. Our main focus is to help participants start developing lifelong habits that will lead to a healthier and happier life. We understand this will mean different things to different people.

To support our goal, our program will provide many opportunities for participants that will include educational workshops, resources on fitness, nutrition and wellness. We will encourage participants to try many of our programs at Campus Recreation that will assist them in reaching their goals. Whether your goal is to race in a 5k for the first time, lose weight, improve athletic performance, train for a specific event or just get more fit...this program is perfect for you!

This 12-week program includes monthly weigh-ins where we will record your weight, body fat% and also conduct cardiovascular & muscular endurance fitness tests. Participants gain points for attending educational workshops, submitting diet records, attending monthly weigh-ins, going on outdoor adventure trips, signing up with a personal trainer, attending group fitness classes, working out at the Campus Recreation Center...and much more!

Top finishers for each competition will receive Visa gift cards, prizes TBD. Everyone who attends all 4 weigh-ins will receive 2 free personal training sessions with one of our personal trainers!
