

## Updating Trusted Sites in IE

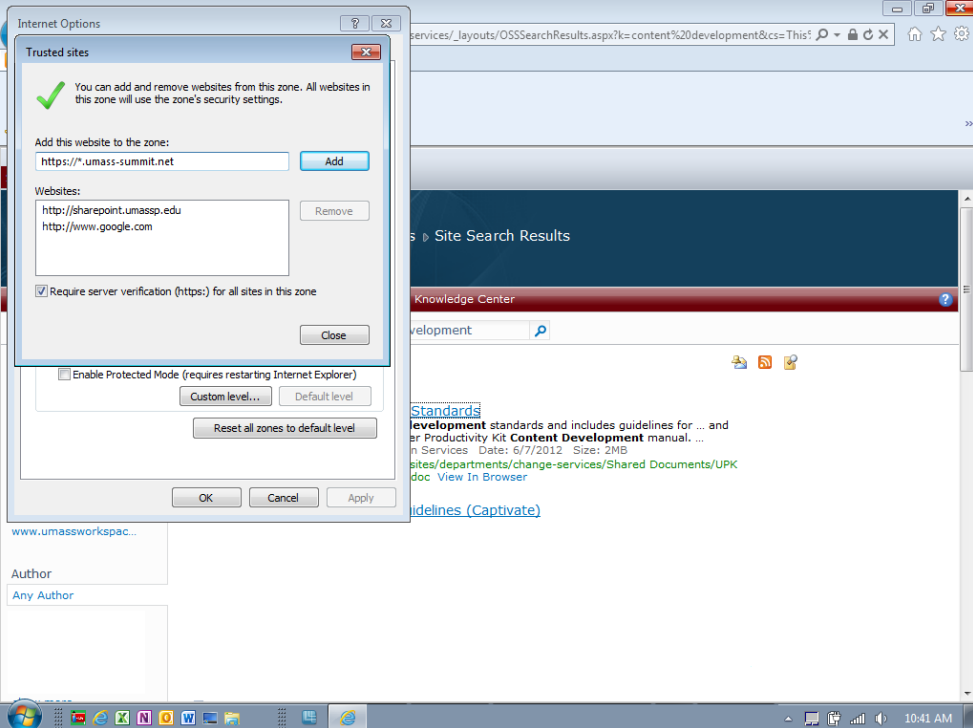

**Note:** If you are using Firefox, this browser does not offer a trusted site setting. You will be prompted for login credentials each time you access **UMass-Summit** through Firefox.

Step	Action
1.	<p>Begin by navigating to your IE browser menu.</p>  <p>Click the <b>Tools</b> menu.</p> 
2.	<p>Click the <b>Internet options</b> list item.</p> 

Step	Action
3.	<p>Click the <b>Security</b> tab.</p>  <p>The screenshot shows a web browser window with the 'Internet Options' dialog box open. The 'Security' tab is selected and highlighted with a red box. The dialog box has several sections: 'Home page' with a list of URLs and 'Use current', 'Use default', and 'Use blank' buttons; 'Browsing history' with a 'Delete browsing history on exit' checkbox and 'Delete...' and 'Settings' buttons; 'Search' with 'Change search defaults' and 'Settings' buttons; 'Tabs' with 'Change how webpages are displayed in tabs' and 'Settings' buttons; and 'Appearance' with 'Colors', 'Languages', 'Fonts', and 'Accessibility' buttons. The background shows a search results page with a 'Knowledge Center' header and a search bar.</p>

Step	Action
4.	<p>Click the <b>Trusted sites</b> link.</p>  <p>The screenshot shows the 'Internet Options' dialog box with the 'Security' tab selected. The 'Trusted sites' zone is highlighted with a red box and a green checkmark icon above it. The 'Local intranet' zone is also visible. The background shows a web browser window displaying search results for 'Standards'.</p>

Step	Action
5.	<p>Click the <b>Sites</b> button.</p>  <p>The screenshot shows the Internet Options dialog box with the 'Trusted sites' tab selected. The 'Trusted sites' zone is highlighted with a green checkmark. The 'Sites' button is highlighted with a red box. The background shows a web browser window displaying search results for 'Site Search Results'.</p>

Step	Action
6.	<p>Enter the UMass Summit URL into the <b>Add this website to the zone:</b> field.</p> <p>Enter a valid value e.g. "<b>https://*.umass-summit.net</b>".</p> 
7.	<p>Click the <b>Add</b> button.</p> 
8.	<p>Click the <b>Close</b> button.</p> 
9.	<p>Click the <b>OK</b> button.</p> 
10.	<p>Congratulations! You have successfully updated your trusted sites. You may need to refresh your browser window.</p>
