The Art and Design Capstone is a year-long process in which students are encouraged to explore new materials, investigate diverse concepts, and cultivate new ideas. Eventually these intents are united into one substantial body of work. The Art and Design faculty encourage a growth mindset and the conceptual development of projects that help define a student's aesthetic and aspirations for their post-college practice.

The University Gallery and Mahoney hallways are accessible to all. Gallery events are free and open to the public. Parking can be found in the Wilder Metered Lot, located at the intersection of Wilder Street and Bachelder Street, with the entrance located on Bachelder Street. The lot is open for both visitors and members of the UMass Lowell community. Visitors may park in any open campus lot that is not metered during the week after 3 p.m.
