The Art and Design Capstone is a yearlong process that encourages creative exploration while working within emerging constraints that are specific to each student. Projects are developed across complex systems that promote unique artistic ideas and personal design thinking. The Art and Design faculty encourage a growth mindset and the conceptual development of projects that help define a student's aesthetic and aspirations for their post-college practice.

The University Gallery is accessible to all. Gallery events are free and open to the public. Parking can be found in the Wilder Metered Lot, located at the intersection of Wilder Street and Bachelder Street, with the entrance located on Bachelder Street. The lot is open for both visitors and members of the UMASS Lowell community. Visitors may park in any open campus lot that is not metered during the week after 3 p.m.
