ARTICLE 1
RECOGNITION

The Employer recognizes the Union as the sole and exclusive bargaining agent for the following units as certified by the Labor Relations commission in SCR-2226.

UNIT A: All full-time and regular part-time university police officers, institutional security officers, resident hall security officers, and dispatchers, excluding the university police sergeants, lieutenants, captains and police chief, confidential and managerial employees, and all other employees.

UNIT B: All full-time and regular part-time university police sergeants and lieutenants, excluding the university police officers, captains, and police chief, institutional security officers, resident hall security officers, and dispatchers, confidential and managerial employees, and all other employees.

Should any new classified classification(s) be added to the work force, the Employer shall notify the appropriate Union of such new classification(s). The Employer and Union shall consult to mutually determine if such new classifications(s) shall be added to the bargaining unit. If the parties cannot agree, the matter may be referred to the State Labor Relations Commission by either party, with a request that the commission make that determination.

The Employer will not aid, promote or finance any labor group or organization which purports to engage in collective bargaining, or make any agreement with any such group or individual for the purpose of undermining the Union or changing any condition in the Agreement.

The Employer agrees to apply applicable provisions of this Agreement to those employees who receive all contractual benefits, whose funding source is derived from grants or other non-state appropriated funds and who perform the functions of those positions covered by this Agreement to the extent that the terms of their respective grants or non-state appropriated funding source and the level of funding thereunder so allow, as determined by the Chief Executive Officer of the campus or his/her designee.

ARTICLE 2
RULES AND REGULATIONS

The parties agree that this Agreement in all respects supplants and replaces all particular provisions of the following General Laws of the Commonwealth of Massachusetts and Rules and Regulations thereto and any future rules and regulations promulgated thereunder namely: the Second Paragraph of Section Twenty-Eight of Chapter Seven (Red Book); Section Twenty-Four.

A; Paragraphs (4) and (5) (Gray Book), formerly paragraphs 5 and 6 of Section Forty- Five; paragraphs (1), (4), and (10) of Section Forty- Six, and Section Fifty-Three of Chapter Thirty; Sections Thirty to Forty-Two, inclusive, of Chapter One Hundred and Forty-Nine.

ARTICLE 3
UNION DUES, INITIATION FEE AND AGENCY FEE

Section 1.

The Employer agrees to deduct from the pay of all employees covered by this agreement the dues, initiation fees and/ or uniform assessments of the Local Union having jurisdiction over such employees and agrees to remit to said Local Union all such deductions taken from the 1st payroll period of each month and remit to the Local Union by the 2nd payroll period of each month. Where laws require written authorization by the employee, the same is to be furnished in the form required. No deduction shall be made which is prohibited by applicable law.

Section 2.

The Employer agrees to deduct from the paycheck of all employees covered by this Agreement voluntary contributions to DRIVE. DRIVE shall notify the Employer of the amounts designated by each contributing employee that are to be deducted from his/her paycheck on a weekly basis for all weeks worked. The phrase "weeks worked" excludes any week other than a week in which the employee earned a wage. The Employer shall transmit to DRIVE Chapter 25 on a monthly basis, in one check the total amount deducted along with the name of each employee on whose behalf a deduction is made, the employee's Social Security number and the amount deducted from the employee's paycheck.

Section 3.

The Employer agrees to deduct certain specific amounts each week from the wages of those employees who shall have given the Employer written authorization to make such deductions. The amounts so deducted shall be remitted to the TEAMSTERS CREDIT UNION once each week by electronic transfer methods. The employer shall not make deductions and shall not be responsible for remittance to the Credit Union for any deductions for those weeks during which the employee has no earnings or in those weeks in which the employee's earnings shall be less than the amount authorized for deduction.

ARTICLE 4
AGENCY SERVICE FEE

Section 1.

Each employee who elects not to join or maintain membership in the Union shall be required to pay as a condition of employment, beginning thirty (30) days following the commencement of his/her employment, an agency service fee to the Union in an amount that is proportionately commensurate with the cost of collective bargaining and contract administration, but not to exceed the amount of periodic dues paid by employees who are members of the Union.

Section 2.

This Article shall not become operative until this Agreement has been formally executed, pursuant to a vote of a majority of all employees in that bargaining unit present and voting.

Section 3.

The Union shall reimburse the appointing authority for any expenses incurred as a result of being ordered to reinstate an employee terminated at the request of the Union for not paying the agency service fee. The Union will intervene in and defend any administrative or court litigation concerning the propriety of such termination for failure to pay the agency service fee. In such litigation, the appointing authority shall have no obligation to defend the termination.

Section 4.

Disputes between the parties concerning this Article shall be resolved in accordance with the grievance procedure contained in this Agreement. In the event such a dispute is submitted to arbitration, the arbitrator shall have no power or authority to order the appointing authority to pay such agency service fee on behalf of any employee.

If the arbitrator decides that an employee has failed to pay or authorize the payment of the agency service fee in accordance with this Article, the only remedy shall be the termination of the employment of such employee if the employee continues to refuse to pay or authorize payment of the required agency service fee after having sufficient time to do so.

Section 5.

It is specifically agreed that the appointing authority assumes no obligation, financial or otherwise, arising out of the provisions of this Article and the preceding Dues/Agency Service Fee Checkoff Article, and the Union hereby agrees it will indemnify and hold the appointing authority harmless from any claims, actions or proceedings by an employee arising from the termination of an employee hereunder or from deductions made by the appointing authority.

ARTICLE 5
UNION BUSINESS

Section 1. On Representation

Union staff representatives shall be permitted to have access to the premises of the appointing authority for the performance of official Union business, provided that there is no disruption of operations. Requests for such access will be made in advance and will not be unreasonably denied. The Union will furnish the appointing authority with a list of staff representatives and their areas of jurisdiction.

Section 2. Grievance Processing

Except as hereinafter provided, Union business shall be conducted by Union stewards and officials on off-duty hours. Union stewards and officials shall be permitted to have time off without loss of pay for the investigation and processing of grievances and arbitrations. Grievants shall be permitted to have time off without loss of pay for processing their grievances through the contractual grievance procedure, except that for class action grievances no more than three (3) grievants shall be granted such leave. Requests for such time off shall be made in advance and shall not be unreasonably denied. No steward or other representative of the Union shall at any time use his/her Union position as an excuse to refuse to carry out his/her own duties or to interfere with the work of any other employee. The Union will furnish the Employer with a list of Union stewards and their jurisdictions.

Section 3. Paid Union Leave of Absence

- A. Leave of absence without loss of wages, benefits or other privileges may be granted to elected delegates of the Union to attend conventions of the State, Regional and Parent Organization. Such leave will require the prior approval of the Chief Executive Officer or his/her designee. Persons designated as alternate delegates shall not be granted paid leaves of absence to attend such conventions.

- B. Leaves of absence without loss of wages, benefits or other privileges may be granted to Union negotiating committee members for attendance at negotiating sessions with the Employer and related Union caucuses. Such leave will require the prior approval of the Chief Executive Officer.

- C. Leaves of absence without loss of wages, benefits, or other privileges may be granted for attendance at joint labor-management meetings. Such leave will require the prior approval of the Chief Executive Officer.

Section 4. Unpaid Union Leave of Absence

Upon request by the Union, an employee may be granted a leave of absence without pay to perform full-time official duties on behalf of the Union. Such leave of absence shall be for a period of up to one year and may be extended for one or more additional periods of one year or less at the request of the Union. Advance approval of the Chief Executive Officer is required for all such leaves of absence or the extension thereof. Approval of the Chief Executive Officer is required for all such leaves of absence or the extension thereof. Leaves of absence without loss of benefits or other privileges (not including wages) may be granted to Union Officers and stewards

to attend executive board meetings and other union meetings. Such leave will require the prior approval of the Chief Executive Officer.

Section 5. Attendance at Hearings

Representatives and officers of the Union may be granted leave of absence without loss of wages, benefits or other privileges to attend hearings before the Legislature and State agencies concerning matters of importance to the Union and the Employer. Such leave will require prior approval of the Chief Executive Officer.

Witnesses called by the Union to testify at a Step 4 hearing or in an arbitration proceeding (Step 5) may be granted time off without loss of benefits or other privileges (not including wages). All leave granted under this section shall require prior approval of the Chief Executive Officer.

Section 6. Union Use of Premises

The Union shall be permitted to use the same or similar facilities of the Employer for the transaction of Union business during working hours which have been used in the past for such purpose, and to have reasonable use of the Employer's facilities during off duty hours for Union meetings subject to appropriate compensation if required by law.

This section shall not be interpreted to grant an employee the right to carry on Union business during his/her own working hours, not granted elsewhere in the agreement.

Section 7. Bulletin Boards

The Union may post notices on designated bulletin boards or an adequate part thereof in places and locations where notices usually are posted by the appointing authority for employees to read. All notices shall be on Union stationery, signed by an official of the Union, and shall only be used to notify employees of matters pertaining to Union affairs. The notices may remain posted for a reasonable period of time. No material shall be posted which is inflammatory, profane or obscene, or defamatory of the Commonwealth or its representatives, or which constitutes election campaign material for or against any person, organization or faction thereof.

Section 8. Employer Provision of Information

The Employer shall be required to provide the Union with the following information:

- A. Every three (3) months a list of all new employees in the bargaining unit, date of employment and classification.
- B. Every six (6) months a list of all employees who have been terminated.
- C. A list of all employees who withdraw checkoff authorizations within two months of such withdrawal.
- D. A list of employees in each bargaining unit, including title and last date of hire.

Such lists shall be updated each six months. Where the Employer has been providing the above information to the Union at more frequent time intervals, the information shall continue to be furnished at such intervals.

Section 9. Orientation

Where the Institution provides an orientation program for new employees, one-half hour shall be allotted to the Union and to the new employees during which time a Union representative may discuss the Union with the employees.

ARTICLE 6
NON-DISCRIMINATION AND AFFIRMATIVE ACTION

Section 1.

The Employer and the Union agree not to discriminate in any way against employees covered by this Agreement on account of race, religion, creed, color, national origin, gender, sexual orientation, age, mental or physical handicap, or veteran's status.

Section 2.

The Union and the Employer agree that when the effects of employment practices, regardless of their intent, discriminate against any group of people on the basis of race, religion, national origin, gender, sexual orientation, age, mental or physical handicap, or veteran's status specific positive and aggressive measures must be taken to redress the effects of past discrimination, to eliminate present and future discrimination, and to ensure equal opportunity in the areas of hiring, upgrading demotion or transfer, recruitment, layoff or termination, rate of compensation and in-service or apprenticeship training programs. Therefore the parties acknowledge the need for positive and aggressive affirmative action.

Section 3.

This Article shall be construed to be in accordance with all applicable federal and state laws.

Section 4.

Any matters concerning this Article shall be subject to the Campus Affirmative Action Grievance Procedure and not the grievance and arbitration procedures provided in Article 29 of this Agreement.

ARTICLE 7
WORKWEEK AND WORK SCHEDULES

Section 1. Scheduled Hours. Workweek. Workday

- A. Except as otherwise specified in this Agreement, the regular hours of work for full-time employees shall be forty hours per week excluding meal times or forty hours per week including meal periods.
- B. The work schedule, both starting times and quitting times, of employees shall be posted on a bulletin board at each work location or otherwise made available to employees and Union stewards.
- C. When the Employer desires to change the regular work schedule of an employee he shall give the affected employee at least seven consecutive (7) days written notice of such contemplated change, except in cases of emergency involving the protection of the property of the Institution or involving the health and safety of those persons whose care and/or custody have been entrusted to the Institution.
- D. To the extent practicable, the normal workweek shall consist of five consecutive days, with the regular hours of work each day to be consecutive except for meal periods. Similarly, to the extent practicable, employees in continuous operations shall receive two consecutive days off in each seven day period. This subsection should not apply to employees in authorized flexible hours programs or on a four and two schedule, or summer hours.
- E. All Armed University Police Officers, Sergeants and Lieutenants shall work on a four (4) day work week with two days off (known as a 4 & 2); said work schedule shall be as follows:
 - a. The work day shall be eight (8) hours. Employees will be paid a minimum of (40) forty hours per week.
 - b. Any Armed Police Officer, Sergeant, or Lieutenant working a 5 & 2 schedule shall earn compensatory time for hours worked in excess of the 4 & 2 schedule.
- F. Each employee shall be required to record his/her attendance in accordance with procedures presently established by the appointing authority. Thirty (30) days prior to any change in the existing method of recording attendance, the Chancellor or his designee will notify the Union of such change and will meet and confer with the Union to discuss such change.

Shift Assignments

Police Officers, Sergeants, Campus Security Officers and Dispatchers

Employees will be provided with two (2) opportunities per calendar year (January and July) to select shifts. Notification of the shift selection process and timeframe shall be not less than seven (7) calendar days in advance. Shift assignments shall be made in order of Classification Seniority such that the most senior person shall pick first. No other permanent changes shall be allowed until the next shift selection process except as deemed necessary by Management to address a work-related issue, provided that the movement of an officer to address a work-related issue does not result in another officer being displaced from his shift selection, unless the movement of the officer to address a work-related issue results in a less than minimum manning staffing situation. Employees shall stay in their current assigned day off group unless that day off group is currently occupied by another officer. The Chief or his designee, at his sole discretion, retains the right to assign an officer to any day off group for the benefit of the department. Any reassignment of an officer to address a work-related issue shall not exceed forty-five (45) calendar days.

It is understood that members new to the bargaining unit, regardless of rank, shall be placed in a shift by Management and shall remain in that shift until the next scheduled shift selection process.

Seniority Lists

At least ten (10) calendar days prior to notification of the shift selection process, as noted above, the University will provide Classification Seniority lists to the Union. The Union shall respond to the Chief or designee not less than five (5) days prior to the shift selection process with any questions or concerns about the list.

Section 2. Overtime

- A. An employee shall be compensated at the rate of time and one-half his/her regular rate of pay for authorized overtime work performed in excess of forty hours per week or eight hours per day; provided, however, that an employee whose regular workday is more than 8 hours shall be compensated at the rate of time and one-half of his/her regular hourly rate of pay for authorized overtime work performed in excess of his/her regular workday.
- B. Compensatory time off in lieu of pay for overtime work may be granted to an employee at the option of the Chief Executive Officer or his/her designee and with the consent of the employee. Such compensatory time shall be at time and one half for each hour worked. The appointing authority shall not, for the purpose of avoiding the payment of overtime, curtail the scheduled hours of an employee during the remainder of a workweek in which the employee has previously worked hours beyond his/her normally scheduled workday. This paragraph shall not apply to employees who, because of the nature of the duties of their positions, work an irregular workday, nor shall it apply to employees who have been permitted by the Employer to participate in an approved voluntary flexible hours program that has been duly authorized by the Chief Executive Officer or his/her designee.

- C. All time for which an employee is on full pay status such as, sick leave, vacation, holidays, paid education leave, and paid union leave shall be considered time worked for the purpose of calculating overtime compensation.
- D. There shall be no duplication or pyramiding of the premium pay for overtime work provided for in this Agreement.
- E. The appointing authority shall make every effort to send out checks for overtime no later than the second payroll period following the payroll period of the overtime worked.
- F. Overtime shall be distributed as equitably and impartially as practicable among persons in each work location who ordinarily perform such related work in the normal course of their work week.
- G. The provisions of this Section shall not apply to employees on full travel status.
- H. In instances where no employee can be found to perform institutional overtime work, the appointing authority may assign such work to the least senior employee who, in the judgment of the appointing authority, is capable of carrying out the required duties.
- I. The parties shall convene a joint committee to review options for implementation of overtime in 4-2 schedule, the current overtime calculation method and to discuss the use of sick time from the calculation as hours worked for overtime purposes. Absent an agreement between the parties, the current provisions of the collective bargaining agreement shall remain in effect.

Section 3. Regular Meal Periods

A meal period shall be scheduled as close to the middle of the shift as possible considering the needs of the institution and the needs of the employee.

Section 4. Rest Periods

Employees shall be granted two fifteen minute rest periods per work day of at least seven and one-half (7.5) hours, but separate from the meal period.

Section 5. Call Back Pay

Effective on the date of signing of this Agreement, an employee who has left his/her place of employment after completing work on his/her regular shift and is called back to work prior to the commencement of his/her next scheduled shift shall receive a minimum of four hours pay at his/her regular hourly overtime rate. This Section shall not apply to employee who is called in to start his/her shift early and who continues to work that shift.

Section 6. Court Time

Any member of the bargaining unit who, while off duty, is required by the appointing authority to appear as a witness for the Commonwealth in a criminal case, in district, juvenile or superior courts, License and Police Commissions, and show cause hearings and civil cases arising out of

such criminal cases shall be paid at a rate of time and one- half. The unit member will be paid a minimum of four (4) hours at the time and one-half rate.

Section 7. Shift Differential

- A. Employees rendering service on the second shift (1430 to 2245) shall receive a shift differential of one dollar twenty-five cents (\$1.25) per hour for each hour worked. Employees rendering service on a third shift (2230 to 0645) shall receive a shift differential of one dollar fifty cents (\$1.50) per hour for each full hour worked. All employees starting shifts at or after 1430 hours on Friday and finishing at or before 0630 hours on Monday shall receive a shift differential of one dollar seventy-five cents (\$1.75) for each full hour worked. Employees rendering service on Christmas Day, New Year's Day, or Thanksgiving shall receive a shift differential of one dollar (\$1.00) per hour for each full hour worked.

- B. The above hourly shift differential shall be paid in addition to regular salary for eligible employees when their entire workday is on a second or third shift. Eligible employees who are required to work a second or third shift or any portion thereof on an overtime basis, replacing a worker who normally works such second or third shift, will receive an hourly differential pursuant to paragraph A of this section.

- C. For employees who are required to work a second or third shift as governed by paragraph B. of this section, overtime shall be compensated at the rate of time and one- half of the regular salary rate and the shift differential for the number of hours in excess of forty (40) hours per week worked on such second or third shift.

- D. For the purpose of computing overtime pay of employees covered by this Section the procedure to be followed shall be:
 - Step 1: Compute salary due the employee as if all hours worked were at the straight time rate;

 - Step 2: Add the appropriate shift differential to the amount specified in Step 1;

 - Step 3: Divide this sum by the total number of hours worked that week;

 - Step 4: Divide this quotient by two. The rate arrived at in Step 4 will apply only to overtime service and the total compensation due the employee is determined by multiplying the number of overtime hours by the rate. The product when added to the amount shown after Step 2 above equals the total compensation due for the week.

Section 8. Stand by pay

- A. An employee who is ordered by the Chief or his/her designee to be available on a stand by basis, to report to duty when notified shall be reimbursed at a rate not to exceed five dollars (\$5.00) per hour per stand by period.

- B. This stand by period shall be (15) hours in duration for any night stand by duty and shall be nine (9) hours in duration for any daytime stand by duty.
- C. Stand by duty shall mean that the Chief or his/her designee has ordered an employee to be immediately available for duty upon receipt of a message to report to work. If an employee assigned to stand by duty is not available to report to duty when called no stand by pay shall be paid to the employee for the period.

Section 9. Essential Personnel

In the event that the University suspends regular on-campus operations due to inclement weather or other natural or man-made causes, the University may require personnel designated as "essential" to report work. In such cases where only essential personnel are required and/or allowed to report to work, to include employees working a swap or required to work on overtime shift during university closure weather event, essential personnel shall be compensated at their overtime rate for each hour worked and shall receive one (1) additional compensatory day for hours worked as Essential Personnel during their regular work hours. For those eligible to receive differential pay as noted above, shall have the differential added to their overtime rate.

The chief of police shall create a list in July of each year denoting the title of positions that are deemed essential.

For purposes of determining compensation under this section, "a day" is a 24-hour period starting at midnight. Unless the University expressly states otherwise, regular on-campus operations shall presume to commence the following day at midnight.

ARTICLE 8
LEAVE

Section 1. Sick Leave

- (a) A full-time employee shall accumulate sick leave with pay credits at the rate of one and one quarter work days for each full payroll month of employment for a total of 15 days per year. An employee on any leave with pay or industrial accident leave shall accumulate sick leave credits. New employees hired on or after ratification (12/12/14) shall accrue 12 sick days per year.

Employees hired on or after ratification (12/12/14) may accrue up to a maximum of 120 days of sick leave credit hours. Employees will not accrue sick leave credit hours beyond the equivalent of 120 days and no sick leave credit hours shall be rolled over into any other form of paid leave nor shall any other form of paid leave credit (e.g. vacation, compensatory time) be rolled over into sick leave credits.

- (b) A regular part-time employee shall accumulate sick leave credits in the same proportion that his/her part-time service bears to full-time service.
- (c) Sick leave shall be granted at the discretion of the appointing authority, to an employee only under the following conditions:
- (1) When an employee cannot perform his/her duties because he or she is incapacitated by personal illness or injury;
 - (2) When the spouse, child, or parent of either employee or his/her spouse or a relative living in the immediate household of an employee, is ill, the employee may utilize sick leave credits up to a maximum of ten (10) days per fiscal year except in cases of demonstrated medical emergency or life-threatening/terminal illness in which case an employee may use up to fifteen (15) days; and (3) when through exposure to contagious disease, the presence of the employee at his/her work location would jeopardize the health of others.
 - (3) To keep appointments with health care professionals. In such instances the normal requirements of advance notice will be at least five (5) working days. However, the parties recognize that on occasion an unforeseen complication may arise from a regularly scheduled appointment with such a health care professional.
- (d) A full time employee shall not accrue sick leave credit for any month in which he/she was on leave without pay or absent without pay for a total of more than one (1) day.
- (e) Whenever the Chief of Police or his/her designee has reason to believe that sick leave is being abused or whenever an employee has been absent on account of sickness in excess of five days, the Chief of Police or designee may require the employee to present a physician's statement indicating the medical reason for any absence on account of sickness. Failure of an employee to present such statement seven (7) working days after a

request there for has been made by the Chief of Police or designee, may, at the discretion of the Chief of Police or designee, result in the absence being treated as absence without pay.

- (f) The Chief of Police, or designee, may require that an employee, wishing to return to work after an absence of more than 5 consecutive working days because of illness or injury, or after any absence due to illness or injury in which the Chief of Police, or designee, reasonably believes may prevent the employee's ability to perform the essential duties of his or her position, be examined by a physician or other qualified health care professional designated by the appointing authority and/or by a physician or other qualified health care professional of the employee's choosing. If the appointing authority requires the employee to be examined by its designated physician or other qualified health care professional, the appointing authority shall assume the cost of such examination. The results of such examination(s) must attest to the fitness of such employee to return to his/her regularly assigned duties. The results of such examination shall be treated as confidential medical information.
- (g) Sick leave must be charged against unused sick leave credit sick in units of one-half hour (112) or full hours, but in no event may the sick leave credits used be less than the actual time off.
- (h) Any employee having no sick leave credits, who is absent due to illness, may be placed, unless otherwise notified by the employee, on personal leave, or, if no personal leave credits, then on vacation leave. Such leave shall be charged on the same basis as provided in subsection (6).
- (i) An employee who is reinstated or reemployed after an absence of less than three (3) years shall be credited with his/her sick leave credits at the termination of his/her prior employment.

An employee who is reinstated or reemployed after a period of three (3) years or more shall receive prior sick leave credits, if approved by the appointing authority where such absence was caused by:

- (1) Illness of said employee;
 - (2) Dismissal through no fault or delinquency attributable solely to said employee; or
 - (3) Injury while in the employment of the Employer in the line of duty, and for which said employee would be entitled to receive Workmen's Compensation benefits.
- (j) A regular part-time employee shall not accrue sick leave credit for any month in which he/she was on leave without pay or absent without pay in the same proportion that his/her service bears to one day of service of a full-time employee.
 - (k) Notification of absences under this Article must be given to the designated representative

of the appointing authority at least one-half (1/2) hour prior to the beginning of the scheduled tour of duty. If such notification is not made, such absence may, at the discretion of the appointing authority, be applied to absence without pay. In extraordinary circumstances beyond the control of the employee, the above notification period may be waived.

- (1) No employee shall be entitled to a leave under the provisions of this Article in excess of the accumulated sick leave credits due such employee (including any sick leave bank provisions).
- (m) Employees whose service with the Employer is terminated shall not be entitled to any compensation in lieu of accumulated sick leave credits. Employees who retire shall be paid twenty percent (20%) of the value of their unused accrued sick leave at the time of their retirement. It is understood that any such payment will not change the employees pension benefit.
- (n) Sick leave credits earned by an employee following a return to duty after a leave without pay or absence without pay shall not be applied to such period of time.
- (o) An employee who while in the performance of his/her duty receives bodily injuries resulting from acts of violence of patients or who receives such injuries in the pursuit, apprehension, or detention of suspects as reflected in the official police report, and who as a result of such injuries would be entitled to benefits under Chapter 152 of the General Laws, shall, if entitled under Chapter 30, Section 58 of the General Laws, be paid the difference between the weekly cash benefits to which he/she would be entitled under said Chapter 152 and his/her regular salary without such absence being charged against available sick leave credits, even if such absence may be for less than six (6) calendar days.
- (p) Employees are eligible to cash in their annual unused sick leave credit, up to a maximum of eight (8) days at 50% of their value for year one of the contract and 75% cash out for years two and three of the contract as outlined in the table below:

Sick leave used	sick leave cashed in
0 days	8 days
1 day	7 days
2 days	6 days
3 days	5 days
4 days	4 days
5 days	3 days
6 days	2 days
7 days	1 day
8 days or more	0 days

In order to exercise this option an employee must cash in all sick days that are earned and accrued during the previous twelve months in excess of 8 days. The decision to cash in sick time must be made by the employee by June 1st of each year. Sick days cashed shall be deducted from the employee's sick leave balance.

Section 2. Paid Personal Leave

On the first payroll day of the new calendar year, full-time employees shall be credited with five (5) paid personal leave days which must be taken during the following twelve months at a time or times requested by the employee and approved by his/her appointing authority. Any paid personal leave not taken by December 31 will be forfeited by the employee. Personal leave days for regular part-time employees will be granted on a prorated basis. Personal leave may be available in units of (2) two hours and may be used in conjunction with vacation leave.

Full-time employees hired after the first payroll day of the payroll month of January will be credited with personal leave days in accordance with the following schedule

EVALUATION OF EMPLOYEES

Section 1.

Performance evaluations are designed to serve the needs of both the employee and Employer. An organized program for employee performance evaluation will:

Performance evaluation should be seen primarily as a developmental tool. Its purpose is to assess an employee's job related strengths and weaknesses, and develops his/her competence to the fullest. In a correctly executed evaluation, the supervisor and the employee work together to find the means by which the employee's ability can be strengthened and directed.

Section 2.

Section 4.

The Human Resources Officer shall receive all evaluations from the immediate supervisors and shall retain such evaluations, together with any recommendations made on the basis of any such evaluation and any evidence or materials submitted in support of such evaluation, in the respective human resources file on each employee.

Upon receipt of an employee's evaluation, the Human Resources Officer and/or designee shall determine whether a rating of "Exceeds Expectations." "Meets Expectations" or "Fails to Meet Expectations" shall apply.

ARTICLE 28
DISCIPLINARY ACTION

Section 1.

The parties agree that the purpose of discipline in a labor intensive enterprise is to insure, through corrective action, that employees conduct themselves in a responsible manner. The grievance shall be treated as a Step 2 grievance and Article 29 Grievance and Arbitration Procedure shall apply.

Section 6.
