Sea Kayaking 10,000 Islands and Everglades, Florida  
Dec 29*, 2018 – Jan 9*, 2019  
$375* + Travel  
$200 Deposit

TRIP DESCRIPTION: Sea Kayaking in Florida is one of the best ways to recharge before starting the spring semester. Winter weather in southern Florida is typically warm and sunny with temperatures in the 70’s. Choose to drive with us or fly down and meet us in Tampa. We will first do an instructional day paddle without our gear in the boats and the next day set off on a 5-day expedition style sea kayak trip relaxing and slowly exploring the southern gulf coast along the 10,000 Islands Preserve ending in Everglades National Park.

Travel Option A  
Fly to and from Tampa: Flight cost is not included in trip cost. Arrive in Tampa on Dec 31 before 4pm and depart From Tampa Jan 7th after noon. Our trip leaders will pick you up and drop you off in Tampa, FL with the van. We encourage air travel to be booked before 11/10/18 to ensure cost effective travel and confirm plans.

Travel Option B  
Drive to Florida with us: lodging and camping along the way. Camping and lodging cost an additional $100 per person. Road food paid for on an individual basis. Van departs Lowell VERY EARLY AM Dec 29th and returns Late PM Jan 9th.

Travel Option C  
One way via driving, one way via flight. Additional $50 plus road food. Flight cost not included in trip cost.

PACKING LIST:
The items on this list are HIGHLY recommended for your trip. Current temperatures and personal preference should be considered when packing. Wearing the same piece of clothing multiple times is OK on an outdoor trip, so do not over-pack…but at the same time, do not skimp on needed items. During the expedition, you will be required to store all clothing you are not wearing in one dry bag... Choose wisely. Please contact us if you have any questions or have trouble acquiring any of the items on the list, we may be able to help you out. An (*) denotes items that can be provided for you at no additional charge.

- Medical Questionnaire (Printed, Don’t Email), Complete online waiver.
- Sunglasses (add a keeper strap for security)
- Baseball cap or full-brim hat (for sun protection)
- A Warm hat (wool or fleece fabrics are best)
- Insulating jacket (fleece is ideal, should be compact and synthetic)
- Shirts (cotton is ok around camp or in the van, but during activity quick-dry material is preferred – long-sleeve shirts recommended while on the water)
- Shorts and/or pants (avoid cotton, quick-dry material is preferred)
- Underwear
- Swimsuits/rash guard
- Camp Socks (1 pair to wear around camp and while sleeping, wool preferred)
- Water Shoes (old athletic shoes, neoprene booties, or similar shoes with hard soles for foot protection)
- Camp Shoes (to be worn around camp or in the van, something with a heel strap. Crocs, or sport sandals are ideal since they can dry if they get wet—no flip flops!)
- Gloves for paddling if you are prone to blisters
- Small or super-absorbent towel, or a few bandanas (always appreciated)
- Travel clothes – wear whatever is comfortable, it’s nice to have something to change in to when we get out off the water
- Extra-Large Duffel Bag for travel (big enough to fit all personal equipment, sleeping bag, sleeping pad, and some group equipment such as a tent)
- Sunscreen & lip balm (15 SPF minimum) We will be exposed to a lot of sun, so plan to lather or cover up!
- Insect repellent (no need for a huge bottle, personal size will be adequate – no aerosol cans!)
- Camera (waterproof protective case, strap and/or float is highly recommended)
- Personal medications (inhaler, epinephrine, etc.)
- Toiletries (if you wear contacts bring an extra set)
- Feminine hygiene products (bring a small Ziploc for disposal)
- Hand sanitizer
- Personal supply of toilet paper (keep in a Ziploc to protect from moisture)
- Extra batteries for your headlamp (at least 3 AAA - this will get used a lot so do not skimp on having extra)
- Money (food on the road/travel days and souvenirs)
- Book or journal (great for the van or down time on the trip)
- *Mess kit (plate, cup, eating utensils) – a plastic travel mug makes mornings bright!
- Ziploc bags of various sizes – these are great for organizing, storing, & protecting clothes and gear
- *Dry bags, various sizes – helpful to have to keep personal clothing, sleeping bag, and other needed items dry while on the water.
- *Headlamp (you must provide 3AAA batteries if borrowing one of ours)
- *Paddling or Rain Jacket (a wind-proof, water-proof jacket is a must, providing much needed insulation in a variety of conditions – rain pants also recommended)
- *2 water bottles (quart size, Nalgene bottles preferred - a water bladder (i.e. dromedary or camelback) is great to bring in addition.
- *Sleeping bag (with proper temperature rating for the season, 20-45 degree bags should suffice)
- *Sleeping pad (provides warmth and comfort while snoozing)
- *PFD (Personal Floatation Device, AKA Life Jacket), Kayak, Skirt and Paddle
- Personal medications: inhaler, epinephrine, etc. Major medications should be noted on your Health Statement
- Personal medical insurance card

Note: We will distribute other equipment specific to the activity at the final pre-trip meeting
