

## CAREER EXPLORATION ASSIGNMENT

---

Using provided online resources, student identifies 5 to 10 career paths which could potentially exist for his/her selected field of study. Student is expected to submit a list of the 5 to 10 identified career paths as well as a two-page essay comparing and contrasting two of the paths in relation to the student's interests, skills, and values (citing resources used).

*NOTE: For an optional assignment add-on, have student complete the Occupational Research Worksheet.*

### Assignment learning goals:

1. Student will demonstrate a broader understanding of potential career paths emerging from his/her selected field of study
2. Student will analyze and describe the degree of alignment of two career paths to his/her own skills, interests, and values
3. Student will build skills in navigating at least three online career resources and document their use
