II. EDUCATION AND RESEARCH

- Doctor of Science in Work Environment (ScD) 2000-2004
University of Massachusetts (UMASS) Lowell,
School of Health and Environment, the Department of Work Environment, USA
Doctoral Dissertation (with qualitative research methods): *Shoes, Glues, and Families:
Working Conditions in Informal Sector Footwear Manufacturing.* GPA: 3.964
- Master of Science in Chemical Engineering (MSc) 1986-1992
The Lappeenranta University of Technology, the Department of Chemical
Engineering, Lappeenranta, Finland. Area of specialization: process engineering.
Master’s Thesis: *Methane Activation Reactor*

III. PROFESSIONAL SKILLS AND EXPERTISE

- Thirty-one (31) years of professional experience in occupational and environmental health.
- Experienced instructor, trainer, student mentor and public speaker.
- Experience in grant writing and managing national and international programs and projects.
- Experienced qualitative and mixed-methods researcher: conducting focus groups, in-depth interviews, worksite walk-throughs. Use of the NVIVO Qualitative Analysis Software and Qualtrics survey tool.
- International project management experience in multicultural environments with goal-orientated approach and strong initiative, while working with governments, employers' and workers' organizations, and non-government agencies. Work experience in different countries includes China, Cambodia, India, Indonesia, Mongolia, Nepal, Pakistan, the Philippines, Switzerland, Thailand, and Viet Nam.

IV. EXPERIENCE IN TEACHING AND RESEARCH IN PUBLIC HEALTH

I’m a teaching faculty at the Department of Public Health, UMASS Lowell. I have teaching experience both at the graduate and undergraduate levels in a number of public health disciplines, including environmental health, occupational safety and health, health promotion, social determinants of health, and implementation and evaluation of public health programs. Since 2020, I’ve been a key personnel in the National Institute for Occupational Safety and Health (NIOSH)-funded Training Program Grant (TPG) at UMASS Lowell. This program funds graduate students at the Department of Public Health, UMASS Lowell, in their occupational epidemiology MPH track.

In addition to teaching, I have strong mixed-methods research skills. I have been applying qualitative methods in research for 23 years. I was a key personnel in all the NIOSH-funded Safe Home Care studies at UMASS Lowell during 2004-2023 and led population recruitment, data collection, and data analyses for all the qualitative research activities.

V. PROFESSIONAL EXPERIENCE

University of Massachusetts (UMASS) Lowell, USA

- Present** – Jan 2024 **Visiting Instructor** at the Department of Public Health.
- Dec 2023 – Sep 2016 **Research Professor** at the Department of Public Health.
- Aug 2016 – Jan 2004 **Research Professor** at the Department of Work Environment.
- Present - Jan 2020** **Primary instructor at the Department of Public Health:** PUBH 5061 OL Environmental Health (Sp24, Sm24); PUBH 2050 Social Determinants of Health (Sp23,24); PUBH 5510 Work Environment Policy and Practice (Sp24,Sp22-20). PUBH 2080 Princip. of Environmental Health Science (F22,23); PUBH 4410 Implementation and Evaluation in Health Promotion (F23).
- Present-** Jul 2020 **Key personnel.** Work Environment Training Program Grant Project, funded by the U.S. National Institute for Occupational Safety and Health (NIOSH)
- Aug 2023- Sep 2019 **Co-Investigator.** NIOSH-funded Safe Home Care Intervention Project.
- Apr 2024 – Apr 2020 **Steering Committee member. Age-Friendly University Initiative at UMASS Lowell (present).** Center for Gerontology and Research Partnerships (2020-21).
- Nov 2020 – Nov 2019 **Principal Investigator.** Work-related Violence in Home Care: Training Development and Implementation Project, funded by the SEIU Healthcare NW Health Benefits Trust, Seattle, WA.
- Aug 2019- Aug 2010 **Co-investigator.** NIOSH-funded Safe Home Care Project.
- Aug 2019- Apr 2019 **Research Scientist** at the Toxics Use Reduction Institute (TURI) to assess and compare airborne chlorine exposures generated by a bleach-based cleaning product and a potentially safer cleaning product alternative to bleach.
- Aug 2017 - Jul 2015 **Co-investigator.** Occupational Health Research, Policy & Capacity Building in Thailand-United States, funded by the Fogarty Center/ NIH/ NIOSH/ NIEHS.
- Dec 2013 – Oct 2013 **Principal Investigator.** Literature review on OSH among migrant workers in the Americas, funded by the International Labour Organization (ILO).
- Mar 2013 – Nov 2012 **Co-investigator.** Development of a training curriculum on cleaning tips for home care clients with asthma and allergies, funded by Massachusetts Council for Home Care Aides Services INC.
- Jul 2010-May 2009 **Project Manager** at the US EPA-funded Mercury Reduction Project in Mexico and Ecuador, Lowell Center for Sustainable Production (LCSP).
- Dec 2010-Jul 2009 **Research Associate** at the Occupational Safety and Health Case Study Project, LCSP. Project funded by the Public Welfare Foundation.
- Aug 2009-Dec 2004 **Co-investigator** in the NIOSH-funded Project SHARRP (*Safe Homecare and Risk Reduction for Providers*) to investigate blood exposures among homecare workers.
- Nov 2004 – Jun 2004 **Research Associate** at the LCSP. Working conditions and child labour among fishers, conducted in West Java and North Sumatra, Indonesia.

- Jun 2016 - Jul 2016 **International Labour Office (ILO), Geneva, Switzerland**
OSH Research Consultant for the ILO's Sectoral Policies Department to develop an academic literature review on access to water, sanitation, and hygiene (WASH) in the workplace as an occupational safety and health concern.
- Jan 2020 - Jun 2018 **Harvard School of Public Health/ Center for Work, Health and Well-being/ Center for Community-based Research, Boston, USA**
OSH Research Consultant, the Food Service Industry Worker Safety and Ergonomics Intervention Study.
- Jun 2011- Oct 2011 **OSH Research Consultant**, the Mumbai Worksite Tobacco Control Study to develop an OSH checklist.
- Aug2011 – Feb 2010 **OSH Research Consultant** to develop worksite practice guidelines to integrate OSH and health promotion.
- Jan 2005 – Feb 2005 **National Institute of Occupational Safety and Health (NIOSH), Centers for Disease Control and Prevention (CDC), DHHR, USA**
Consultant to develop a compendium of measures on discrimination, harassment, and biases initiated by the Center for Women at Work of UMASS Lowell.
