YOUR FINANCIAL AID ELIGIBILITY

Eligibility for financial aid begins with filing the Free Application for Federal Student Aid (FAFSA). You must file the FAFSA every year online at fafsa.gov, or by downloading the myStudentAid app. beginning October 1.

DETERMINING YOUR FINANCIAL AID NEED

Financial aid is available to help you pay for college. We use the Cost of Attendance (COA) and Expected Family Contribution (EFC) to determine the amount and types of aid you may get.

Cost of Attendance (COA) is the estimated amount it should cost you to attend UMass Lowell for one academic year. COA includes both direct and indirect costs.

Expected Family Contribution (EFC) is an estimate of the amount of money you (and your parents, if you are dependent) could reasonably contribute toward college costs. EFC is calculated using the financial information on the FAFSA.

Demonstrated Financial Need is calculated by subtracting the EFC from the COA.

Example:

\[
\text{Cost of Attendance (COA)} - \text{Expected Family Contribution (EFC)} = \text{Demonstrated Financial Need (Need)}
\]

YOUR COST OF ATTENDANCE (COA)

Direct Costs: These are the charges you will see on your bill. Direct costs may include tuition, fees, on-campus room and board.

Indirect Costs: These are estimates of other expenses you may have while attending the university. Indirect costs may include books, off-campus housing and transportation.

UNDERSTANDING YOUR AWARD LETTER AND TYPES OF AID

Your financial aid award may consist of some or all of the following types of aid depending on your financial need.

Please note: all financial aid awards are contingent on funding.

CATEGORIES OF FINANCIAL AID

Need-Based Aid is awarded when you have demonstrated financial need, (i.e. your EFC is less than the COA.) Need-based aid includes federal, state and institutional grants, scholarships, student employment and subsidized student loans.

Non-Need Based Aid does not require you to have demonstrated financial need, (i.e. your EFC is greater than the COA.) Non-need based aid includes merit scholarships and unsubsidized student loans.

TYPES OF FINANCIAL AID

To view full descriptions, eligibility requirements and award amounts of each financial aid program visit uml.edu/typesofaid.

GRANTS AND SCHOLARSHIPS

Grants and scholarships are called “gift aid” because they are free money that doesn’t have to be repaid. Grants and scholarships come from a variety of sources including the federal government, state government, university and private organizations.

Examples of Grants and Scholarships include:
• Federal Pell Grant
• Federal Supplemental Opportunity Grant
• Massachusetts State Grant
• DHE Cash Grant
• UMass Lowell Need-Based Grant
• UMass Lowell Scholarship
• Merit Scholarship*

*UMass Lowell offers a variety of merit scholarships for which incoming students are automatically considered at the time of admission. Most awards are renewable annually if the scholarship standards are met. For a complete list of merit scholarships visit uml.edu/scholarships.

STUDENT EMPLOYMENT

Federal Work Study and the UMass Lowell Student Employment Programs provide part-time, on-campus jobs to eligible students with financial need. This allows you to earn money to help pay for education. The programs encourage community service work and work related to your course of study. You will receive a Student Employment Welcome Packet before orientation with more information.

Student Employment earnings are not automatically applied to your university bill, however, you may opt to have 70% of biweekly earnings applied toward your bill by completing a Withholding Form with payroll. Visit us at uml.edu/studentjobs and follow us on Facebook at UMLstudentemployment.

In addition, UMass Lowell offers a wide range of other employment opportunities, such as the Departmental Employment program and The Job Location and Development (JLD) program. Begin your search now by going to uml.edu/jobhawk.

FEDERAL STUDENT LOANS

A loan is money that is borrowed and must be paid back with interest. Repayment of student loans usually begins after you have completed your education or drop below half-time (6 credits) enrollment status.

Student loans made by the federal government usually offer borrowers lower interest rates and have more flexible repayment options than loans from banks or other private sources. Remember, you can borrow less than what is offered to you. You should only borrow what you need! Once offered, you can reduce or decline your federal student loans on your SiS student account.

ADDITIONAL LOAN REQUIREMENTS

- If you are awarded a Federal Direct Subsidized and/or Unsubsidized Loan, before funds are disbursed to your account, you are required to complete:
  - Entrance Counseling at studentloans.gov
  - Master Promissory Note (MPN) at studentloans.gov
- Exit Counseling is required for Direct Loan borrowers who are graduating or dropping below half-time enrollment. To complete the Exit Counseling session, go to studentloans.gov.

SMART BORROWING TIPS

1. Borrow as little as possible to cover what is needed for education-related expenses.
2. Consider your estimated monthly payments. Don’t borrow more than you can reasonably afford to pay each month.
3. Taking out a loan is agreeing to a binding contract. Taking out a loan is an important financial decision that can affect you for years to come. It is critical you understand your loan options in order to make good borrowing decisions.

UMass Lowell will process private/alternative loans for any lender selected by the student. Please note that each lender has credit requirements which the borrower must meet, or have a credit worthy co-borrower who meets those criteria. Please visit uml.edu/alternative for more information on private alternative loan options.

MONTHLY TUITION PAYMENT PLAN
A ten, eight and six-month payment plan is offered to students through TMS (Tuition Management Systems). The payment plan enables students and their families to pay the full year’s tuition, fees, and room and board in smaller, more affordable payments rather than in a lump sum. For more information, or to sign up online, please visit umasslowell.afford.com.

What YOU NEED TO KNOW ABOUT THE VERIFICATION PROCESS

What is verification? Verification is the review process used to make sure the information you entered on the FAFSA is accurate. The U.S. Department of Education selects a number of students for verification. UMass Lowell may also select applicants for verification to correct any potential conflicts in information.
If your FAFSA is selected, per federal guidelines, we are required to collect all necessary documentation from you and your parents or spouse (if married). It is your responsibility to provide the required verification documentation as soon as possible.

How will I know if I am selected? Notifications will be sent via email with instructions to log in to your Financial Aid Portal to view, upload and complete required documents.

What is IRS Data Retrieval? This is the fastest and easiest option to obtain your IRS tax data. The IRS Data Retrieval Tool (DRT) allows students and parents the ability to transfer income information from the IRS directly to the FAFSA. Use the IRS DRT to reduce errors and the chances of being selected for verification. Tax return transcripts will not be required if you use the IRS DRT successfully.

What other documentation may be necessary? You may be required to submit documentation to verify your immigration, citizenship, selective service, veteran status, and/or social security number as determined by the U.S. Department of Education.
Additional forms that may be requested include:
• Household resources form
• Confirmation of assets form
• Child support confirmation form
• Untaxed income form

Where do I submit requested documents? All verification documents will need to be uploaded via your Financial Aid Portal.

How will verification impact my aid? We provide an estimated financial aid award package when you complete the FAFSA for your family to make informed decisions. The estimated award package may change after the verification process based on the verified Expected Family Contribution (EFC).

What else should I know?
• It is important to provide the information requested as soon as possible to receive your financial aid.
• You will receive a new financial aid package if your eligibility changes after the verification process.
• Failure to submit all requested information to complete verification may result in cancellation of financial aid offer.
• Check your SiS To Do List and university email account for reminders of missing documents.

For detailed information on verification, visit uml.edu/verification.

DISBURSEMENTS TO YOUR BILL

Financial aid disbursements are made directly to your bill (except in the case of student employment). Disbursements are made after the add/drop period of each semester once enrollment, residency, grade level and housing are confirmed and all program requirements have been met (i.e., loan entrance counseling, promissory notes, verification, etc.).

SiS USHARE

SiS is UMass Lowell’s online student information system. You have the ability to grant your parents, guardians, spouse, employers or others access to your SiS account via UShare from the Student Center. FINANCIAL AID REFUNDS AND BOOK VOUCHERS

Student Refunds: Credit balances resulting from overpayment or excess financial aid will be refunded to students each semester. For detailed instructions on Direct Deposit, visit uml.edu/refunds.

Book Vouchers: Students whose financial aid is in excess of the student invoice by $50 or more will be issued a book voucher. The amount of the voucher comes from your financial aid award and the amount used at the bookstore will be charged back to your student account. Eligible students are notified via their university student email account. To find out more visit uml.edu/bookvoucher.

Monthly Tuition Payment Plan:
A ten, eight and six-month payment plan is offered to students through TMS (Tuition Management Systems). The payment plan enables students and their families to pay the full year’s tuition, fees, and room and board in smaller, more affordable payments rather than in a lump sum. This is not a loan program, and there are no finance or interest charges. There is a nonrefundable application fee.

For more information, or to sign up online, please visit umasslowell.afford.com.
MAINTAINING FINANCIAL AID ELIGIBILITY

APPLYING FOR FINANCIAL AID
You must reapply for financial aid each year, beginning Oct 1, by completing the FAFSA online at fafsa.gov with our Federal School Code: 002161. UMass Lowell priority filing deadline is March 1.

MERIT AID REQUIREMENTS
Maintaining Merit Aid: The Financial Aid Office evaluates the cumulative GPA of merit scholarship recipients at the end of each spring semester. You must maintain the minimum cumulative GPA requirements of the scholarship program to have the award renewed. For most merit programs, you must be enrolled full time in day school courses each semester. Please refer to your original award letter for renewal criteria. If you are not meeting program requirements, appeals may be sent to the Financial Aid Scholarship Committee. Visit uml.edu/scholarships for more information.

MEETING SATISFACTORY ACADEMIC PROGRESS
You must meet satisfactory academic progress (SAP) standards to ensure progress is made toward your degree or certificate program. SAP standards apply to all federal, state and university financial aid programs.

- Undergraduate students must maintain a minimum cumulative grade point average of 2.0, maintain a minimum 70% completion rate and complete their program within the 150% program length.
- Graduate students must maintain a minimum cumulative grade point average of 3.0, maintain a minimum 70% completion rate and complete their program within the 150% program length.
- SAP evaluations are conducted at the end of each spring term for undergraduate and graduate students.
- Certificate students are evaluated at the end of each semester.

Students who do not maintain the university SAP standards become ineligible to receive financial aid with the option to appeal for reinstatement of aid. For the complete SAP Policy, refer to uml.edu/SAP.

WITHDRAWAL POLICY
Students withdrawing from the university are required to discharge all financial obligations to the university, return all university property, and complete the university withdrawal form on the Solution Center Website.

Students should meet with a financial aid advisor prior to withdrawing in order to understand the financial impacts.

Students earn Title IV federal financial aid by attending and participating in classes. The amount of federal aid a student has earned for the enrollment period is based on the percentage of time the student remains enrolled for that period. The earned percentage is calculated by dividing the numbers of days within the enrollment period by the number of days attended.

The last date of attendance (or withdrawal date) is determined by the date the student officially submits the withdrawal form to the University, or otherwise notifies the University of his/her intent to withdraw.

The calculation of Title IV funds earned by the student has no relationship to the student’s incurred institutional charges.

Unofficial Withdrawal
An unofficial withdrawal occurs when a student enrolls in courses and either never attends any courses or stops attending all courses at some point during the semester without providing official notification to the University. Students receiving Title IV federal aid who unofficially withdraw will have their aid recalculated in the same manner as an official withdrawal.

For the complete, official withdrawal policy, please refer to uml.edu/withdrawal.

- You have the right to privacy. All documents submitted are kept confidential in accordance with the Federal Education Right to Privacy Act (FERPA)
- You have the right to request a review of your financial aid eligibility
- You have the right to request a reduction or cancellation of your student loans
