I. Introduction:

Welcome to the University of Massachusetts Lowell - Procurement Credit Card (ProCard) Program. The ProCard is a purchasing tool, which provides an efficient and effective method of purchasing and paying for consumable items costing up to $1,000. The card is a Master Card credit card, backed by JPMorganChase Bank.

This User Guide outlines the benefits of the ProCard program to you (the cardholder), as well as to your department and the University. It also provides you with the information that you will need to use the card. The ProCard concept is designed to delegate authority and responsibility, to enable you to quickly and conveniently purchase approved commodities directly from those vendors that accept the Master Card credit card. This program is designed to meet your needs and those of the University.

The benefits of the UMass ProCard to you and the University are significant.

Benefits to the Cardholder:
- Allow you to obtain consumable supplies faster and easy.
- Reduces workload related to the purchase and payment of consumable supplies.
- Allows you to be more efficient, thereby enabling you to better focus on the value added aspects of your job.
- Eliminates the need for you to obtain W9 documentation.

Benefits to the University:
- Enables the Procurement Office and the (Departmental Service Centers) to focus on higher yield, more value added activities, such as the creation of more and better contracts and the timely processing of invoices and payments.
- Dramatically reduces the number of purchase orders, invoices, and checks.
- Reduces the number of vendors in the University Vendor File.

The ProCard is to be used for purchases related to University business only. Use of the card for personal purchases is strictly prohibited. The Comptroller’s Office is responsible for monitoring the ProCard Program. If you have any questions regarding the program, or the appropriate use of the ProCard, please contact Allison Richards, ProCard Manager, in Comptroller’s Office at Ext. 3456.
A. How It Works:

The ProCard simplifies the purchase and disbursement process by facilitating point-of-demand purchases. Purchasing authority is delegated to the ordering department, thus enabling the authorized cardholder to place an order directly with the supplier. The ProCard Program provides enhanced control for all transactions by producing immediate decisions on the six specific authorization criteria listed below. The Master Card system validates the transaction against pre-set limits established by the University. All transactions are approved or declined (instantaneously) based on the following ProCard authorization criteria:

1. Number of transactions allowed per day.
2. Number of transactions allowed per month.
3. Single purchase limit not to exceed $1000.
4. Monthly credit limit. (16th of month through the 15th of next month) (If you reach your monthly credit limit before the monthly cycle ends on the 15th, your purchases will be refused until the new cycle begins on the 16th).
5. Approved merchant category code (MCC) (limiting the types of approved vendors)
6. Expiration Date

Please note: In addition to these criteria set with the bank, the University has established a list of restricted purchases. (Please refer to section II of this guide). It is the cardholder's responsibility to ensure that purchases are made for non-restricted commodities only, regardless of whether the purchase is approved at the point-of-sale.

B. Accounting:

The University will pay JPMorganChase directly and charge the budget assigned to your ProCard. Use of the ProCard will in no way affect or change your personal credit history.

Use of the ProCard is restricted to non-appropriated accounts (i.e. trust funds). The ProCard cannot be used for purchases against state appropriated accounts, or for any purchases against Professional Development accounts, which are also state funds, as the accounting procedures required by the state cannot be replicated with the ProCard reimbursement process.

Your card is associated with a single Funding Source (i.e. fund, department ID, and account number). There may be multiple cards associated with a single Funding Source. If you need to make purchases from more than one Funding Source, you may need to obtain an additional -ProCard for each.

For cards associated with a project/grant, if that grant number is revised to reflect an extension please notify the procard manager.

If you are a user of the Empac Finance System, you may view information on your charges online. The queries that are useful for you to monitor your ProCard activity are:

PO_ALL_PCD_BY_EMPLID (using your employee ID number)
PO_ALL_PCD_POSTED_BY_DEPTID. (using your department ID number)
PO_ALL_PCD_POSTED_BY_GRANT (using your project/grant number)

The navigation to the queries from the empac Finance Services page: Finance Reporting⇒View⇒Navigator Display⇒Query.

It is the cardholder's responsibility to ensure that s(he) does not exceed the funds available in the budget assigned to the card.
II. Allowable and Restricted Purchases:

The Procard may be used for the purchase of most business related consumable commodities, with the exception of those contained in the list of Restricted Purchases below. Cardholders will be informed of any changes to policy, as they may occur. Purchases of restricted commodities, i.e., purchases that are not allowed to be made via Procard, and any purchase that totals more than $1,000 (including shipping), must continue to be processed in accordance with established procurement and accounting methods that are appropriate for the particular type of purchase.

Please note only purchases appropriate for the budget charged are allowed and absolutely no personal purchases are ever allowed. All purchases made with a procard must be in accordance with the University Policy for Management of University Funds-Doc.T92-031. In addition, all purchases made with a procard linked to a project/grant, must be in accordance with all specific spending guidelines of that particular contract.

III. How to Activate Your ProCard:

You must telephone Master Card at the number indicated on your ProCard to activate your card, before you use it. Master Card will verify your identity and your mother’s maiden name or password, to ensure that you are indeed the legitimate cardholder. Please sign the back of your card.

Remember that only the Cardholder is authorized to use the ProCard. You are responsible for all activity against the card and may not share your ProCard with anyone. For managers who wish to delegate purchasing responsibilities to designated staff members, the staff member must apply for a separate card in his/her name.
IV. Ordering Process:

The ProCard may be used to purchase consumable commodities in person at the supplier site, over the phone, by mail, or via the Internet. When making purchases on-line please use your discretion in ordering from a reputable site to help ensure the security of the card number. The card should not be shared with anyone. The cardholder must make all purchase transactions.

When placing your order, please be sure to provide the vendor with the following information:

- Identify yourself as a University of Massachusetts Lowell employee.
- State that you wish to make a University purchase using a University of Massachusetts Master Card.
- Provide your name (Cardholder name).
- Give your ProCard number (located on the front of the card).
- Furnish the expiration date of your card.
- State that the University is tax exempt and give the vendor the University's tax-exempt number, which is listed on the front of the card. (See also Section V., Tax Exemption)
- Request discount, if applicable, for purchase being made.
- State the quantities and descriptions of the consumable supplies that you require.
- Furnish any other information that is necessary to make the purchase.
- Verify the total cost of the purchase with the vendor.

A. Shipping Instructions:

Please have items shipped directly to you if possible. Tell the vendor that the address label/packing list that accompanies the package(s) **must** contain the following information:

Attn: Cardholder Name
Cardholder Title
Department, Building, Room #
University of Massachusetts Lowell
Street Address (i.e., University, Riverside, Broadway, etc.)
Lowell, MA 01854-(4 digit code)

*Under no circumstances should the vendor indicate the cardholder's ProCard number on any address labels or packing lists, which would threaten the security of the card.*

Please note that, by law, vendors are not permitted to bill your credit card for purchases until the items have been shipped. In most instances, your account will be debited within 48 hours after the vendor ships your merchandise.

**Please instruct the vendor to have any receipts or other documentation sent directly to you.**
V. Tax Exemption:

The University of Massachusetts Lowell is exempt from paying Massachusetts State Sales Tax. The tax-exempt number appears on the front of each ProCard. This number must be given to all vendors by the cardholder at the time of the transaction to exempt payment of state sales tax. It is the cardholder's responsibility as an agent of the University to ensure proper use of the University's tax-exempt number.

If sales tax is billed incorrectly to the cardholder's account, it is the responsibility of the cardholder to dispute the charge with the vendor.

If a vendor requires a tax exemption certificate, it is the responsibility of the cardholder to fax a copy of the tax exemption certificate. (Provided in Appendix II)

VI. Receipt of Goods:

The cardholder is responsible for ensuring receipt of goods and to follow-up with the vendor to resolve any delivery problems, discrepancies or damaged goods.

Upon receipt of your goods, keep the documentation received from the vendor (typically a sales receipt, order confirmation, or packing slip) for later reconciliation (see section VIII, Purchase Documentation and section IX, Reconciliation of Cardholder Statement)

VII. Returning Item(s):

The steps for returning item(s) should be as follows:

1. Contact vendor for any specific instructions.
2. Return item(s) by least expensive means (i.e., inquire as to whether vendor may pay).
3. Inquire as to whether vendor may send return address label.
4. Retain any and all documentation.
5. Verify that proper credit is posted for any returned item(s) on cardholder statement each month.
VIII. Purchase Documentation:

It is your responsibility to maintain proper documentation for all ProCard purchases.

You will receive a cardholder statement listing all your purchases for each monthly cycle. The statement is for review and reconciliation purposes only. Please note that the monthly bank cycle closes on the 15th of each month. You will not receive a statement if you have not made any purchases during the monthly cycle.

Retain all supporting documentation relating to your purchases. Examples include:

- Copies of vendor order forms or applications
- Any internal documentation regarding order information
- Cash register receipts (Make note of the detail of purchase if not detailed on the receipt.)
- Order confirmations (When placing phone orders, please request an order confirmation containing dollar amounts)
- Packing slips
- E-mail confirmations
- Document the business use of any purchase that could be construed to be for personal use.

All procard purchases are required to be tracked on the ProCard Purchases Log. Please refer to Appendix II. This log will help you track your orders placed, orders received, and required receipt documentation.

Please retain all documentation for at least three years. When discarding the records that are beyond three years, you must shred all documents that contain your procard number.

For all procards linked to a Research Project/Grant, do not discard any records. When the project/grant closes, please send all documentation to the Office of Research Administration.
IX. Reconciliation of Cardholder Statement and Required Sign-Off:

It is your responsibility to reconcile (monthly) your bank statement to your purchase documentation. **The reconciliation is imperative to ensure your continued use of the ProCard.**

**Monthly you must:**

1. Check the bank statement against your purchase documentation to ensure that all charges are proper and that the goods for which you are charged have been received.
2. Sign and date each statement. Your signature evidences that:
   - You have reviewed the charges and have reconciled them to corresponding documentation
   - You’ve ensured all charges are in-fact business related
   - No charge has been coded to the card without Card-holder knowledge
   - You accept personal accountability concerning the procard transactions
3. Prepare your Procard Purchase Log, sign, and date it.
4. Forward a copy of your Procard Purchase Log to your immediate supervisor for his/her review.*
5. Retain the statement (**signed** by you), the Procard Purchase Log (**signed** by you), and all support documentation in a secure location.

* All Procard Purchase Logs for charges related to Research projects/grants or Research overhead budgets are to be sent monthly to the Research Administration Comptroller in the Office of Research Administration.

If you misplace any support documentation, contact the vendor and request a copy. It is imperative that you obtain all proper support documentation.

If your statement contains charges that you feel are in error please follow the steps in the next section (Section X., Disputing a Transaction).

Failure to maintain proper documentation and/or failure to reconcile your account will result in penalties, which may include a reduction in your authorization limit or the cancellation of your ProCard.

X. Disputing a Transaction:

Please contact the vendor to attempt to resolve any issues of incorrect charges (failure to receive goods, incorrect amounts, duplicate charges, credits not processed, etc.). Most of these issues can be resolved directly with the vendor. If you are unable to resolve any dispute with the vendor or if there is a charge on your statement from a vendor that you have not done business with, please complete the **Statement of Questioned Item Form** (in Appendix II). Within 10 days of the monthly cycle date, submit the form and any supporting documentation to Allison Richards, ProCard Manager, who will forward all information to the bank. The bank will charge the cardholder’s account $5 for a copy of any sales draft (receipt) that might be required.
XI. Credit Card Administration:

A. Acquiring a ProCard:

Only University employees designated as responsible for a budget (cost center) or their direct designee(s) may be permitted to receive a ProCard. An individual may only receive a card after:

- Submitting a ProCard Application form that has been completed and signed by the applicant and the responsible budget signatory/immediate supervisor as applicable (see Appendix I, Cardholder Forms).
- Attending a formal ProCard Training Session.
- Signing the Cardholder Agreement Form (see Appendix I, Cardholder Forms).

B. Canceling a ProCard:

To cancel a ProCard, you must:

- Notify JPMorganChase by telephoning (800) 270-7760 (this line is staffed 24 hours a day, 7 days a week)
- Dispose of the card
- Inform the ProCard Manager

C. Lost or Stolen ProCard:

It is the responsibility of the cardholder to immediately report a lost or stolen ProCard. You must report a lost or stolen ProCard by telephone directly to JPMorganChase at (800) 270-7760 and to Allison Richards, ProCard Manager, at Ext. 3456. You must call as soon as you are aware your card has been lost or stolen. The 800 number is staffed 24 hours a day, 7 days a week.

Verbal reports of lost or stolen ProCards must be followed up in writing, within 24 hours, to the ProCard Manager using the Lost or Stolen ProCard Notification form (see Appendix I, Cardholder Forms). You should also send a copy of the Notification form to your supervisor. A replacement card will be sent within 10 calendar days to the procard manager.

D. ProCard Security:

Only authorized cardholders may use the ProCard. You must safeguard cards and card numbers against use by unauthorized individuals within or outside the University. Unlike personal credit cards that limit liability to $50 for a lost or stolen card, the cardholder's account (not the cardholder personally) is liable for all charges that are made to the ProCard (up to the monthly cardholder limitations that are set on the card), until the card is reported lost or stolen.
E. Misuse of the ProCard:

The ProCard represents the University's trust in you and your empowerment as a responsible employee of the University to safeguard and protect the University's assets. As a cardholder, you assume the responsibility for the protection and proper use of the ProCard.

Purchases must all be in compliance with the University Procard Policies and Procedures as referenced in this manual.

The following situations are a few specific examples of "misuse" of the ProCard:

Examples of Personal misuse categories:
- Purchases made for the sole benefit of the employee
- Assignment or transfer of an individual's card to another person
- Use of card to purchase restricted commodities, or for purchases that are inappropriate for the account charged

Examples of Administrative misuse categories:
- Lack of proper and timely reconciliation of the individual cardholder's account
- Failure to maintain the Procard Purchase Log
- Failure to sign and date the ProCard Purchase Log
- Failure to forward the ProCard Purchase Log to your supervisor for review
- Failure to sign and date all procard statements
- Use of card for purchases unrelated to the account charged
- Use of card in excess of assigned cardholder limits or available budget

F. Consequences of Misuse:

ProCard activity is monitored as described in Section XII, ProCard Audit Reviews. The consequences of misuse of the ProCard will be handled promptly and uniformly for all cardholders.

- The Procard Manager has the duty to report potentially significant misuse and non-compliance findings to the UML Comptroller. The Comptroller is bound by University Policy to escalate the review of the findings to the University Director of Audits and the University Police, as appropriate.

- Depending of the severity of misuse and/or if any recommended corrective action was not taken, a formal written warning may be sent to the individual with a copy to their supervisor. The letter may include a warning for ProCard revocation pending further investigation and/or demand for repayment of any improper charges.

- Disciplinary measures may include a reduction in the cardholder's authorization limits, the cancellation of the ProCard, or termination of employment and legal action in accordance with the terms and conditions of the Cardholder's Agreement form.
XII. ProCard Compliance Audit Reviews:

All ProCard activity is reviewed to ensure compliance with University Procard Policies and Procedures. We wish to ensure continued success of the ProCard Program and to meet audit requirements of the University and various government agencies.

The ProCard Manager monitors and performs reviews of transaction activity via the JP Morgan Chase web-based application tool, PaymentNet. The activity is also monitored via the University’s Empac Financial System. The Cardholder will be notified of any apparent misuse or non-compliance and of any corrective action needed. On a regular basis, samples of transactions are selected for further review. Cardholders may receive a request, from the Procard Manager, to forward a copy of the receipt and a notation of business purpose for a particular transaction.

The ProCard Manager also performs periodic on-site (at the cardholder’s office) reviews of all cardholder charge activity and record keeping. The objective of these reviews is to determine that items purchased have been received, that proper records are being maintained, and that ProCard policies and procedures are being followed. These reviews are scheduled in advance with the cardholder and generally take 45 – 60 minutes. The frequency with which cardholders are audited varies based upon risk criteria such as: transaction activity, transaction size, types of purchases made, non-typical vendor use i.e. cards used for business purposes at vendors where personal purchases are more likely to be made.

Upon the discovery of any irregularities due to potential misuse, the finding will be escalated to the UML Comptroller the University Auditor as described in the prior section, XI F, Consequences of Misuse.

Copies of the audit review report are sent to the cardholder, his/her supervisor (or funding source authority), and the Vice Chancellor for Administration and Finance. These reports note any recommendations made, which must be followed to ensure continued use of the card.

Cardholder activity and records are also open to review by internal, external, state and federal auditors.
XIII. SUMMARY OF CARDHOLDER RESPONSIBILITIES:

1) All cardholders must sign the Card Application Form.

2) All cardholders **MUST** attend a mandatory training session.

3) All cardholders must sign and accept the terms and conditions of the University of Massachusetts Lowell ProCard Cardholder Agreement Form.

4) All purchase transactions processed against the ProCard must be made by the individual to whom the card is issued. The cardholder is responsible for all activity against the card and may not share the ProCard with anyone.

5) The ProCard shall not be used for any of the restricted commodities (See Section II).

6) All purchase transactions for non-restricted items cannot exceed the $1,000 (cost of goods, including all delivery, shipping and/or special handling charges) transaction limit. (Purchases can not be split to avoid the $1,000 single transaction limit.)

7) Purchase transactions may not exceed the monthly transaction limit assigned to the card.

8) Purchase transactions may not exceed the available budget in the funding source assigned to the card and purchase must be appropriate for that funding source.

9) Purchases must be for the use and benefit of the University. No personal purchases are allowed.

10) It is the responsibility of the cardholder to ensure that adequate documentation is maintained for all transactions. (See Section VIII, Purchase Documentation and Appendix II, ProCard Purchases Log).

11) It is the responsibility of the cardholder to reconcile the cardholder statement and maintain the Procard Purchase Log.

12) It is the responsibility of the cardholder to forward, monthly, a copy of the ProCard Purchases Log to his/her immediate supervisor or the Research Administration Comptroller as applicable.

13) It is the responsibility of the cardholder to safeguard the security of the ProCard. Should the ProCard be lost or stolen, it is the cardholder's responsibility to report it immediately to JPMorganChase and the University ProCard Manager (see section XI, C. Lost or Stolen ProCard).

14) It is the responsibility of the cardholder, as an agent of the University, to ensure proper use of the University's tax-exempt number.

15) Violation of the policies and procedures contained in this User Guide will result in actions being taken in accordance with the procedures established in this User Guide and also stated on the Cardholder Agreement Form (See Section XI. F, Consequences of Misuse, and the Cardholder Agreement Form in Appendix I).

RETURN THIS FORM IMMEDIATELY TO THE PROCARD MANAGER, COMPTROLLER’S OFFICE, DUGAN HALL 200.
The University of Massachusetts Lowell is pleased to present you with the ProCard Procurement Credit Card. It represents the University’s trust in you and your empowerment as a responsible employee of the University to safeguard and protect our assets.

I, ____________________________, hereby acknowledge receipt of a University of Massachusetts Lowell Procurement Credit Card (ProCard), Card number __________________. As a Cardholder, I agree to comply with the terms and conditions of this Agreement and the applicable provisions of the Procurement Credit Card User Guide (The “Guide”) provided, and as such Guide may subsequently be revised. I have attended a ProCard training session, acknowledge receipt of the Guide, confirm that I have read and understand its terms and conditions. I understand that the University of Massachusetts Lowell is liable to JPMorgan Chase MasterCard for all charges made by me.

As the holder of the ProCard, I agree to accept responsibility for the protection and proper use of this credit card as outlined in this Agreement, including the reverse hereof, and the Guide. I further agree to use this card for official University purchases only, and WILL NOT use it for personal purchases. I also agree to maintain proper documentation supporting the legitimate business purpose of all charges. I understand that the University WILL audit the use of the ProCard, and that I CANNOT use the ProCard for the restricted commodities listed in the Guide.

I further understand that improper use of this credit card may result in disciplinary action, up to and including TERMINATION OF EMPLOYMENT. If I use this credit card to make charges which are improper in whole or in part, I understand that I will be responsible out of my own personal resources for any such improper charges. I agree to repay any such improper charges promptly upon receiving from the University a written notice and demand for repayment of any such improper charges. Further, I hereby authorize the University of Massachusetts Lowell, Payroll Office, to deduct from my pay an amount equal to any outstanding improper charges in the event that the University of Massachusetts Lowell, Office of the Comptroller, does not receive repayment of such improper charges from me within ten (10) calendar days after my receipt of said notice and demand. I also agree to allow the University of Massachusetts Lowell to collect any amount owed by me even if I am no longer employed by the University. I further understand that the University will initiate legal action against me should I fail to pay.
