_____ **Access Your UMass Lowell Student Email Account:**
After you submit your Non-Degree Course Registration Form to the Registrar’s Office, your information is entered into the University’s student information system (a.k.a. “iSiS”), and a UML student email account will be generated for you (please allow 1-2 business days for processing). This is the email address where all official University communication will be sent. If you provided a personal email address when you registered, your UMass Lowell Student ID will be emailed to you at that address. Otherwise, a printed letter with your Student ID will be mailed to your home address.

Your UML student email account is formatted like this: YourFirstName_YourLastName@student.uml.edu

Your default student email password is Ums12345678, where the last eight digits are your UMass Lowell Student ID. If you have not yet received your UML Student ID through your personal email account or by traditional mail, you can look up your UML Student ID at http://www.umassadmin.net/ISIS/id_lookup. To start using your UMass Lowell student email account, you will need to visit http://mypassword.uml.edu and change your default email password by selecting “Change my Password” – When entering your default student email password, don’t forget to use an Uppercase “U” and lowercase “ms” before your eight digit Student ID number. Once you have done this, visit http://www.uml.edu/student-life/email.aspx to access your UMass Lowell student email. After clicking on the “Login using LiveMail” link, enter your full UML Student Email Account (including the @student.uml.edu) as your Windows Live ID, and your student email password where it asks for Password.

If you encounter problems or need additional assistance, contact the UMass Lowell Help Desk at (978) 934-4357.

_____ **View Your iSiS Student Record at** [http://isis.uml.edu](http://isis.uml.edu):

Through this iSiS Student Self-Service Login, you will be able to register for future classes, search the course catalog, add, drop and swap courses, obtain class schedules (called a study list), view and print grades, obtain unofficial transcripts, and more.
